GENERAL SECRETARY, SAIL
URMI GOPALAKRISHNA

Dear Seniors,

It fills my heart with pride and immense gratitude to write this message for the graduating batch of 2024. On behalf of the entire IIT Guwahati community, I want to express how deeply your presence has enriched our campus, making it more than a place of study- a true home away from home for so many of us.

With each passing day since you've graduated, the campus has felt a little different, a little quieter. The fests, competitions, late-night conversations, and casual gatherings aren't the same without you. You brought an energy that left its mark on every corner- from the bustling crowds at Khokha to the laughter-filled corridors of our hostels.

Your journey here has been remarkable, and while you've now moved on to greater horizons, we're already counting down to Smriti 2049- the moment when you, the batch of 2024, will return to this campus for your 25-year reunion. Until then, rest assured that SAIL and IITG Alumni Association will work tirelessly to keep you connected to this campus. No matter where in the world life takes you, the spirit of IITG will always be a part of you, just as your influence will always be a part of IITG.

Over the last three years, you have been our mentors, our guides, and our friends. You taught us that some bonds can't be measured by time- they only grow stronger as years go by. It is with this in mind that we wish you success, resilience, and fulfilment as you embark on the next chapter of your lives.

Class of 2024, you have left a legacy, and you have shown us what it means to lead and inspire. Go forth and create waves, knowing you have a family here cheering you on, always.

With all my best wishes,

Urmi Gopalakrishna
General Secretary, SAIL.

Let's treasure our most cherished memories here :)

Best memories in campus ?

Late-night walks near the IITG lake ☐

Movie sessions with pizza/biryani in the CSE lab and evening snacks in Core.

Events like Cadence, Sopho Party, PAF, Prom, and Farewell Dance.

Fun times in lib - masti, movies, and studying till late.

Festivals and outings with friends are truly special to me.

Biggest change since first year ?

Came in as a teenage boy, leaving as a grown man.

Learned a lot about all aspects of life in these 3.5 years.

Thanks to everyone for being a part of my journey and growth. ☐

One thing you learned from here ?

Some things happen for a greater good; you'll realize it sooner or later. So, embrace everything life throws at you with open arms. ☐

One thing you'll miss the most ?

I can't choose just one thing. I'll miss both the people and the place, because without the people, this place wouldn't be the same. ☐

One thing you'll regret not doing ?

(Still thinking ... ☐)

NANDINI SHARMA

Bro, you're truly like opium—effortlessly boosting everyone's confidence. Where do you get all this energy from? An extreme extrovert and an amazing dancer. Uff kitne photos leta hai. Everyone's friend, is always happy and super intelligent. I'm really glad we met last semester. Thanks for putting up with this silly idiot. To me, you'll always be Mr. Prom—a true gentleman. Stay as cool and energetic as you are! Wishing you all the best for the future!

PODDUTOORI SWEEYA REDDY

From being extremely cringe to being my best friend, I love every stupid thing we've done. From all the online pranks, dancing, gossiping, crying, and laughing to being my closest friend, we've come a long way. tera rants sunne ke liye mai humesha tayyar hoon hehe. I really hope you go to a 1/1 from a 1/9 someday <3. I will forever be your wingwoman, and I hope you always stay the same aadu, ly!

PRANSHU KANDOI

Can't recall when we got so close, but glad it hpd. Itni sari bkchodi, outings, tera dance, insta spam, dress-up hona, constant late, gym sessions, late-night walks, studies, calls (yadd hai vo 5hr long call) sab kaffi yad ayega. "Bole toh, Circuit, apun ko tere jaisa dost mil gaya na, toh life set hai!" :)) Aadu, tu mast banda hai, genuinely kind, always there and cheerful. Stay the same! <<3

GUNJAN DHANUKA

Dear AV, the best teammate I could ask for, a guy with such vast amounts of knowledge and unparalleled curiosity, with simplicity of a kind that I truly admire the most in you. Its just mindblowing kaise hum itne achhe dost bn gye, and we had such epic times together chahe wo trip ho (only one but such a memorable one) ya fir late night rolls khane jane and having convos abt all sorts of things! Your insane analysing skills, clarity on goals and philosophical ideas amaze me the most. I wish aage future mein bhi tu aisa hi rahe (and you get to visit your fav cities around the world :) To lifelong brotherhood and a successful life ahead, cheers!!

PAWAR FALGUNI MAHENDRA

Anindya, you are my sassiest friend, but "Damn if we give a damn what people say" You are so incredibly well read, I'd someday like to go in your mind and see how you can articulate so well. I was always entertained with your quarrels in the philosophy class. You put yourself out so boldly in the world, and yet you are such a soft and warm hearted person. I'd always remember how hitchhiked our way back from Kaziranga trip, of how we sat down in that tiny space and yet had the best time of our lives Keep smiling, you look better that way. All the very best, remember our small group when you are ultra famous <3

GUNJAN DHANUKA

Hey Anindya, first of thanks for pulling us through in all those group projects (SWE, OS, SSL sab). Your curiosity and dedication is infectious and I genuinely wish ki tu kuch bada invent ya develop kare aage jaake, will proper suit your scientific aura. Still believe tujhe research me jana chaiye, the world needs you! Sorry agar kabhi thik se kaam na karke tujhe irritate kiya ho :) All the best bhai, and hope to bump into you someday to exchange stories!

At first, I was really scared of you because you seemed like a strict and serious senior. But as I got to know you better, I saw your softer side too. Our playoff team is amazing, and your dedication to the game and everything you do is truly inspiring. You are one of the best seniors we could ever get and my go-to place for suggestions after crying about almost everything!

PANDYA PRANSHU

Very hardworking at the same time careless person. You are the first person to whom I opened up and had deep conversations. Those discussions in csea, os lab, and library was fun. Tere ko chidhane me bahot maza aata tha. Got chance to do quizing with you couple of times, wish had done more. Amazing sportsperson and quizzler. All the best and yes the best is yet to come.

PAWAR FALGUNI MAHENDRA

My comfort person (who sometimes pesters me hehe)!! We met in the last year and I feel so robbed of time, wish we had met earlier. I have seen you hyperactive, but also pondering over life. I'll always remember the random rant sessions, where you just plopped on my bed and went on about the guys troubling you. Thank you for taking care of me in all ways possible, thank you for holding my hand when I was drowning in my own sorrow. Thanks for pushing me to pursue my heart and feelings. You'll always be my best "random Instagram follow request"! Thank you for opening up your world to me with the warmest of smiles and making me feel included. Remembering the moments when we carefree danced away to TS, ah I so want them back:((I love you a lot, I promise to pester you back in future <3

ICHCHHA GUPTA

Hey Ashwitha, being neighbors with you was such a blessing! You have this amazing way of connecting with everyone. I'll never forget how you practically kidnapped me by the reception to join you for biryani, even when we barely knew each other! Haha, sorry if the loud music from my room ever annoyed you. I miss our random chats on life. Keep that positive energy going strong! Love you <3

MINALI MANHAR

Ashwitha, my babygirl, you say everyone and everything is my baby, that's so not true I swear :) you are so passionate about learning and trying new things out. To the friend whom I respect and trust the most, I will always cherish our late night deep talks. Bc half of my college gallery is filled with your pictures. I will always remember how your girlfriend was always jealous of our friendship I have learnt a lot from u just by closely observing the way u lead your life. Your warm personality, time optimization and smartness truly make you a gaud. Envious of your smile and charm, I always desired a chance to beat you at anything which we had in common. Little did I realise you weren't just better than me at everything; you were the best amongst everyone across all times. Cheers to an 8 sem long and beyond brotherhood!

Sorry for being the annoying friend of your neighbor, disturbing you in the middle of the night and during exams. As I write this, I am happy I got to know you, even in the fleeting moments when you looked over at me with such care. From temple visits to fests and dressing up, I'll always remember you calmly panicking amidst the chaos, yet keeping everyone together. Someday we will sit together and have so much to talk about, much of which will come down to how Ashwitha pestered us. Seriously though, you are so amazing and so so beautiful. I hope you go places, so the world knows bright souls like you exist!

The machau guy in the first 2 yrs, secy sir and co-intern in 3rd year, and the close frnd later on- u hv always inspired me no matter the connection b/w us . Funny how fast the formal respectful convos have changed to so offensive talks. I'm truly grateful to have befriended you during our internship. U really made it so memorable for me. I wish udupi ek baar aur chalte saath me. The never ending bakchodi and the long useless convos might have started late, but they were really worth the wait. Your influence has helped me become more mature and confident, which has made a significant impact on my life. You pour your heart into everything you care about—your profession, friends, and family and that's why u earn so much respect from everyone. Gunji Dhanuka, CMU me bhi chhaap chhodoonga. ATB

KRUNAL PRAJAPATI

Who, voh quiz wala (antha prerna) is secy? Isse start hua, then went on to realise you were the best secy for CC. You have been one of the best gifts CC gave to me. Aapna synergy itna mast baitha tha. You were supposed to be the shaant type and I the muscle, ig we both proved our seniors wrong. When people say you can only touch the sky on the shoulders of giants, you are a "big ass" giant in my life dificlt to bliv v achive mnny amzin thins. bynd CC sch amzin fr. From placements to inter iit to relationships, your support was invaluable. Wanted to go on more trips with you like dawki hehe. Loved our campus chronicles, be it terraces or be it your room (room se nikla kar bhai). Dude honestly, hats off to the love and support you gave me, and our ragtag group of friend.

PAWAR FALGUNI MAHENDRA

Gunjan, you went from writing on Quora to writing SOPs(you were good at both). You poured your love into everything you did, that all of the moments which you were in, are gold to me. Clouds prevail in different patterns, and so do people, but it always amazed me how you held together the dreams and hopes of an entire club. Thanks for being a glimmering beam of comfort when everything felt dark. From wandering on the beach in pondi to backpacking in shillong (Dawki?), I have collected so many memories that I'll cherish and keep on the topmost shelf of my mind. I opened up to you as fresher (and you shoed me away then), but then that was the charm of being asides you, everything felt easy. 4 years later, I can't imagine my life without you being a part of it.

Did my best and don't want to ever forget the rest.

Best memories in campus ?

Spending time with my core group of friends, Coding Club timepass, the brief time I played evening football and hanging out with people at Brahma.

Trips to Chandubi, Pondi, Dzukou and Dawki (lolol) will always be core memories <3 Last day

Biggest change since first year ?

Became somewhat more straightforward (still gotta work on this), learnt prioritizing stuff and not getting influenced by what everyone says to you.

One thing you learned from here ?

Probably the (very) few courses that I enjoyed and working with people as part of clubs and inter-iit. Also reinforced my belief in seeing ambitious dreams, even if they seem far off they will come true in some form.

One thing you'll miss the most ?

Deciding with Bansal on what to eat at ADN next, Playing Brawl Stars with Omkar (and making him lose trophies), Bitching about everything with the Tent group, Having fun just hanging out with the CC x Pondi team, Working our asses off in CC and Inter-IIT.

Thanks IITG!

One thing you'll regret not doing ?

Not playing any sports regularly and not going to Tawang with my ppl. Baaki sab toh jo hua achcha hua.

Biggest change since first year ?

From starting as a shy individual to gradually exploring and discovering myself, my journey on campus has been transformative.

One thing you learned from here ?

Enjoy every moment of life, as each moment is unique and will not come again.

One thing you'll miss the most ?

College life, friends, and Guwahati's weather of course.

One thing you'll regret not doing ?

Best memories in campus ?

Exploring the campus with my Father on cycles, and every moment i spent with my friends.

Bigest change since first year ?

The biggest change since my first year is how I interact with others. I used to be quite shy and found it difficult to network. Now, I am much more comfortable initiating conversations, building relationships, and working collaboratively with others

One thing you learned from here ?

One of the best lesson i learnt is No one cares for you, you have to fight for yourselves. Also accepting the setbacks and moving ahead.

One thing you'll miss the most ?

Not the campus, but the moments i had with my friends.

One thing you'll regret not doing ?

I regret not having more friendships; it feels like a missed opportunity to connect with wonderful people. Credits: Online Sem

Mansi, when I first met you in CC, I thought you were a shy and reserve person. And then one day you came to my room when my mom was on campus, and chattered away for 2 hours!! I was so incredibly shocked, but thanks for making my mom feel comfortable back then. I think that's the charm of being around you, instead of getting intimidated by your stunning credentials, we just look up to you as inspiration. Kya kya nahi Kiya tune last sem mai, you were going places!! Shine brighter as you step out to rule the world, all the very best :)) You have my whole heart <3

PANDYA PRANSHU

MANSIII, You are the amazing blend of hardwork, dedication, honesty, cuteness, kindness, compassion, empathy, joyfulness. The best person I ever met. Those trips, treats and every evening fruit plates will always be special. you speak the sweetest Gujarati. always admire the way you take care of everyone around you. never seen a person with so much determination. Thanks for always being there for me in all the times, can't imagine how I would have sailed through college without you. Love you and miss you yaar. All the best for future. Take care :-)

AMAN BUCHA

One of the nicest girls on campus, I express my heartfelt gratitude to you for the invaluable life lessons you have taught me. Truly, your actions have enriched my understanding of trust and friendship in ways I never imagined possible. Wishing you all the best in your future endeavors. May your relationship with others be as honest and loyal as you have always been :)

PAWAR FALGUNI MAHENDRA

I got to know you through our mutual love for Ashwita. And yet, I knew you before as a hosteller. You might not remember, but you once brought me medicines, even though you didn't know me. It was like one of those random acts of kindness that stay with you forever. I'll always cherish the birthday parties and temple visits I tagged along with your group, feeling like we were in the middle of a classic adventure (I am on graduation goggles). The times we hastily helped each other dress up for events (mostly Ashwita) felt straight out of a high school montage. I hope we cross paths in the future, where we all sit down again and reminisce about these days. Until then, set the world on fire

NAMAN ANAND

Hi bro!! If I could rewrite any friendship, I'd choose ours !! The hostel were one of the reason that seperated us and it's my fault too somewhere !! It was so lovely when we interacted in online sems, then the cricket matches initially we played :) You are a good bowler :) Sadly after that we had very less interactions until last sem and last sem I finded you again :) Coming to your room , playing cricket in lobby and talking with you and lokesh , It was one of the most enjoyable moments for me bro at the last sem truly !! Hope you liked that rolls :) Also you would have improved your current routine !! I hope to meet you again :) All the best for your future :) Whichever field you choose , i wish you achieve lot of success there !!

Hey bro, I guess you're the first guy who initiated the conversation between us in the mess up front. Since, then I know you. I guess we could have definitely interacted more, but we did interact enough. Always being an active part in all the cultural events, I don't think there another guy who would such a great experience of different cultures in the campus itself. Knowing you was fun bro, a guy with an ever-helpful attitude. Be as cheerful as you are now. And All the very best for your future endeavour bro!

Nandini (not Nandani :P) urf "Nandu". I heard from our common friends that u take lil time to open up but once done then loads of masti and fun will be followed. I experienced that in last sem, right from the time when I asked you for prom, then ice-breaking and practice dance sessions, to the final "Starry Grad Ball Night". The sway and the elegance which you carry with your dance is unmatchable, be it snowman, until I found you, or your 'Finalis' performance, you nailed it all. Thank you for one of the best clg memories, definitely the best & the prettiest prom partner I could've asked for <3. And with time I realized you truly are like 'Orchids' - shy, sensitive and yet charming ^_^. All the best for the journey ahead, keep smiling as you always do Nandu :)

Tu saath mein na hota toh mai merch ka kaam nahi sambhal pata sach mein, thank you very much. Webops toh aapka side job tha asal mein toh aap T'23 ke Infra head the. Bhai kya mast saara kaam sambhalta tune. We were like ki Pradeep hai toh tension nahi. Proper Haryana ka stud launda hai tu, lath gaad denge wala. Aise hi machate rahna and stay in touch.

PAWAR FALGUNI MAHENDRA

When I first met you, I thought you'd be beyond my imagination. When I got to know you, you were way beyond my imagination!! From first day of college, you have been judging people left and right, with all your facial expressions. We saw all kinds of days in these 4 years - when we mailed speakers, looked over juniors, fought the blues, went on trips and everything in between. I'll remember the starry nights, and how I had the privilege to gaze at it because you were driving, how quiet it was on Dawki before the landslide. Ah hate that probability t-shirt You make the people around you shimmer, and I was lucky to have been graced with it too. In the future, I shine brightly, it will be because of you. I wish we had more time together, but then again we have our whole lives ahead of us <3

SUNNY NARZARY

Pehli baar first year mein milke pehla thought: "Finally koi musician!" Little did we know about Shape of You. Results ne gaand maar li but excited First Year se hi thhe apan and fired up thhe. When it came to the final month, now that I think of it, maybe practice kam karke jamming zyaada karke, Kameng kaa loss toh karwaaya hain but Tu, Main, Lalit, Somesh aur facchon ne saath mein kaafi mazein kiye hain. Doing what makes us feel lively. Ekk gaana properly practice na karke numerous songs karna. Apart from keyboard terekha gaatein, guitar, drums bajaate huye dekha hoon uss time. Tere saath moments kaafi thhe, be it exam mein tere se padhna ya hostel ke kaam sambhaalna but yeh anecdote was my favourite memory with you. Baaki, kabhi Northeast aana hua toh bhalna mat you have a daddy here!

SHAH DHRUV PRADIPKUMAR

Tere liye to kya hi likhu, bhai hai tu. 1st year me to kis kone me rehta tha pata nai but thankfully second year se saath me hai. Pehle kitna sidha tha gaali dene pe bhi gussa ho jaata tha, ab terko sudharne ka credit merko hi jaata hai. Bohot zyada logical banda hai, har cheez me logic ghused deta hai. Har cheez me logic nahi dekhte kabhi bhavnao ko bhi dekhna hota hai. Bohot mehnat ki hai meri placement ke liye tune. Tujhe PC banne ke liye force kiya uske liye sorry bhai. Chahe log jo bhi bole ma chudaye merko pata hai tune har cheez sahi se ki hai. Itni baar late night neend se uthke, 3 baje meri existential crises sunne ke liye dhanyavad. Vo sab late night convos bohot miss karunga. Aage bhi effortlessly machate rehna, itni badhiya hostel life ke liye thank you. Love you bhai.

The beginning of the end, or the end of the beginning.

Best memories in campus ?

Long nature walks with music on campus by the lakeside. Hrs of spending tym in E-cell room, New SAC. Ranting, puzzles, discussions, games, food, chats in CSE lab n Core. Finding excuses to escape ghatiya mess ka khaana. Alcher, Udgam, Class Song, city trips.

Last 1 month in the beauti-phool campus.

Bigest change since first year ?

Entered the campus as a boy, graduating as a young man filled with energy and excitement. Carrying along tons of memories and friends more than imagined.

One thing you learned from here ?

Bucket list of life and people skills. Learned living on survival mode anytime anywhere. Life would be meaningless without its hurdles and challenges, keep persevering to achieve wtv you want, and if you are the smartest one in the room you are in the wrong room

One thing you'll miss the most ?

2am walks and chats with ppl. Millions of memories in clubs, events, fests, elections, class song.

One thing you'll regret not doing ?

Tere saath ek video h meri jo mai daalungi abse kuch time baad stay tuned xd. Life mai khoob macha and ham logo ko mat bhoolna.

PAWAR FALGUNI MAHENDRA

There's a special kind of magic in meeting someone unexpectedly, who would have thought a random text on Instagram would become my go to person to talk. It's amazing how low maintenance our friendship was, even though we went months without talking to each other, we opened up instantly when we met again. As if we froze moments in time to share with each other I love how we could talk about the universe and Netflix and our lives, from academics to work stress and everything in between. Thanks for making me believe that after a frosty winter, spring always shows up Yes, eagerly waiting for our next 2 am convo as well, till then spread your warmth like a confetti. All the besttt <3

SUHAYL MAHEK

Hey pranav, always seen you active in one or the other event in campus. Never a dull moment with you. You are definitely one of the most popular guy of our batch and your linkedin is an inspiration for batches to come. Tu macchao toh hain. I know for a fact we will stay in touch in the years to come. First thing first...watch bassi videos and figure out who uncle john is...cuz tu apne batch ka uncle john hain. Class song was really fun...made some crazy memories. All the very best for the future and keep in touch.

One of my best memories was playing football with you in 2nd yr evenings <3 Went to my first trek with u when evryone else ditched. Ur discipline and being straightfwd hv inspired me throughout these 4 yrs. I hope u keep doing things that u enjoy, & enjoy things that u do! Also sorry jab trip ke liye mana kiya ho but hamesha nahi hota mere control me bhai :-') (Edit: Tujhe dekhke bahot baar reading chalu kiya maine par tere aas paas bhi nahi hu book count me) Thnx for many dank insta reels, countless memories & for being the closest person to me in this alien place. Seeing you happy and laughing (he he he karke) makes me happy to the core, take care bhai and all the very best for everything ahead. Milte rahenge.. to more treks in the future...

ASHMIKA RASANIA

I've seen you working hard since day 1 and that's something that motivated me throughout. Most disciplined person ik who manages sports, acads, me & everything else impeccably. I have 95% of my college memories with you! From Koris, Theopani, Shillong, dawki, gangtok, vof, gym & all the festivals. I won't say I'll miss these because I look forward to more such experiences with you. You bring me peace. Thank you for always keeping me on the right track, making me lose 10 kilos, waking me up for breakfast, correcting my form in the gym, tutoring me in the common courses and basically adopting me, idk how I would've survived without u. ily <3

AADARSHRAJ SAH

Pranjal...one of my earliest friends in college, with amazing one-liner roasts. I still remember the first time we truly bonded on the 'frens' group VC when everyone else left, and you shared your JEE time story. After that, I realized there's a really sweet guy within. Back then you used to write really touching poems...next poem kab aaraha? Going through our old chats, I saw how much we talked in the first year, but less so in later years but your work ethic and dedication always kept inspiring me, especially in the gym... hehe. ATB for the journey ahead!

VEDANT GAURANG SHAH

Kandoi, a caring, stubborn, trustworthy, handsome, & genuine person. The best thing I like about you is tujhe jo chahiye, woh kuchh bhi karke tu achieve kar hi leta hai. Your determination and positive attitude will take you great heights in life. Cheers to all the fun we had during Tawang trip, Tumjang trek, late night lab sittings, and specially the daily evening snacks at core canteen. Bas ek cheez kahunga tujhe, life mein FOMO thoda kam kar. Thanks for becoming the bhandi of the class and making such funny stories which we will laugh at for years. Mere saath toh abhi kuchh aur saal rehna hi hai, toh all the best bearing with me! ALL THE BEST for your future, buddy!!

MINEEYAR KHUSHI MANISH

Hi Kandoii, Whenever I hung out with you all (CSE peeps) you always made sure to talk to me. I still remember our crazy discussion when we were sitting in CSE lab (everyone else was watching Harry Potter), it was so fun. You are one the most intelligent people I have met and yet you are so modest, kind and can make anyone feel at home. I really feel we would have been better friends (if there was less volatility). Shillong wali trip was extra fun with you. All the best Kandoi :). And yes we will keep in touch.

Best memories in campus ?

That festive occasion of Holi, trying to tear each others clothes and throwing each other in mud and then dancing in the crowd.

Attending Armaan Mallik's concert was a dream that came to reality in the campus.

Biggest change since first year ?

Being able to actually not give a damn about opinions and speaking up what I have got to say.

One thing you learned from here ?

Accepting setbacks and moving ahead!

One thing you'll miss the most ?

Not the campus particularly but the people that I shared the journey of college with are going to be missed to most.

One thing you'll regret not doing ?

Hiee Tanveen...meri oldest friend in college. 9th std mein first time we met in Kota. All the online sem masti in VideoCalls, playing scribble (with you winning most of the time), all the outings & trips - Kudremukh Trek, Sikkim trip were totally a blast with you. Hamesha bahot maza aata hai to hang out with you, your out-of-the-box humor and creativity is unmatched XD. Hats off to the script you wrote for the Sopho party, kabhi nahi bhulunga vo life mein LOL. Stay happy and all the best for the future :)

VELAGAPALLI SAMUEL CRIPPS

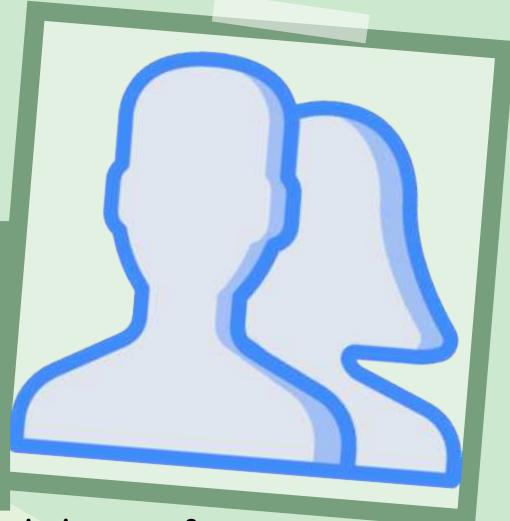

Who brought the Aura to the court? Wasn't that Tanveen? Yes it is. The dedication towards the game was outstanding....literally you came back to the court for practice to attend the summer camp right after your intern. The way you played in the INTER and carried the girls team throughout your time as a rhino will be remembered for long. Respect.

ARYA AVINASH PHADKE

Tanvinder jab court pe jaati hai toh usse Darr lagta hai. We weren't that close in the beginning but became really good friends by the end. Will miss those crazy practises and roaming around in Bombay and Delhi. Also forever indebted to you and your makeup skills(ykwim). Al the best, bohot maaze karna, and Hyderabad aana

yoyoyo vaniii You are hands down the most chill person I know (sober). I always tell everyone that you're the best and the most chill person out there. It's funny how whenever I introduce you to new people, you end up becoming better friends with them. I've loved every single one of our bitching sessions, whether sober or drunk. Trips were incredible with you, especially that Bhutan one. And drunk Vani? Oh man, you can turn the most non-BT topics into BT, you better stop doing that. You're a complete drama package, and you're the only one who hasn't given me BT. From our time at CCD to the lab and library canteen, I'll miss you a lot, Vani. All the best, and never underestimate yourself bitch. P.S. I still owe you that post. We still have convocation, and I promise I'll complete it.

I really wish we met before, ghat buddy xD. watching you being extremely funny, mean, emotional crybaby, and a cool kid has all been amazing. you are literally the coolest and the warmest person I know. I loved all the ranting sessions we used to have, and planning concerts and trips together will be my fav. Always stay the same, and can't wait to meet you in hyd and click more mirror selfies hehe, love you <3

Honestly, I was pretty nervous to talk to you at first, but you made it easier and more comfortable. You more than a brother tu me. Abhi bhi yaad hai woh din jab hum dono technothlon ke through IIT guwahati aane ke sapne dekha karte the. We were there together since class 5 chahe woh Anandalaya ho chahe woh FIITJEE ho chahe woh IIT ho. Aur humesha yaad aati hai ki kese me tere room aata tha aur tu kuch na kuch advice deta tha aur ye bhi hai ki teri advice humesha sahi hoti thi aur me rarely use leta tha kyuki they were right but hard aur har bar tu kaheta tha ki jwalit is baar record karle advice par fir bhi har baar mere liye advice khud se hi bolta tha. Sathme trip karna rah gaya tha par Japan ne woh bhi fulfill kar liya yaad hai kese hum bhaagte hue bus pakadte the kese hum sathme khana. Fortunate to have a friend and brother like you. All the best bhaiii

PREETY SANNYASHI

Dearest WD Meeting you was one thing but thank God we also became friends. Iam always gonna remember you as the most genuine person ever.. I swear there should be more good people like you in this world.. we are quite the opposites but I love how we got along in everything we talked about. Japan trip memories will always be heartwarming for me.. and may the Orion conspire to let us see the cherry blossoms together someday.. Thank you for the walks and talks that added happiness to my last semester.. Of all the great things you do in life I hope you never stop playing badminton. I really have a lot more to write about you.. maybe I will tell you in person when we meet again.. Xo xo..

PAWAR FALGUNI MAHENDRA

I met you in spirit, when you were head of media. I saw you learning the work from scratch and taking it to flourishing heights in such a short time, and I couldn't help but wonder how diligent has to be for someone to achieve that. Will miss the times when all you Gujarati boys gathered and talked, while I tried to interpret what you guys were saying while pretending I understood everything haha. I will remember the fests we spent together, lighting firecrackers and dancing in the dj on every occasion possible. All the very best for all your future endeavours, cheering on you from the other side!!

no" bolna aata hi nhi bande ko. logo ko iski yaad bahut hi specific times pe aati hai XD. Aadha college khatam ho gya tha uske baad mile hum. pehle toh pta hi nhi tha tu mere room ke just peeche rehta tha lol, itna introverted hai tu. pre-intern and post-intern bahut change aaya tere mein. milne ke baad se toh kitni help kari hai na tune, kya hi bataun, and most importantly kabhi favour feel nhi karvaya. tu jitna smart hai uss se kaafi kam samajhte hai apne aap ko, ab toh pls band karde apne aap ko underestimate karna, and no bolna seekhle pls. rr toh bahut karta hai honestly but tbh kaafi mehnati and strong hai tu (mentally ofc, physically toh ghanta lol). also don't worry, chahe tu gurgaon mein rahe ya blr ya hyd, baatein hoti rahegi, pakka.

Dr. Singla. Japanse/Korean nerd. Bande ne college mei kitna zyada machaya aur banda aage jeevan mei kitna zyada machane wala hai iska koi metric hi nhi hai. Ab kasar hai toh West Delhi Panjabi rizz ko invoke karne ki, fir toh londiya kya londe bhi wet ho jaaenge. I really wish I had gotten to know you earlier and aur jyada quizzing kiye hote saath mein (will always regret that InterIIT ka semis ka ek point). Keep achieving and be in touch <3

"Family" is the first word that hits when I hear "Shashank". Our joys, sorrows and successes were all shared throughout BTech. Although you may seem more or less paavam, when the time comes, you're struck with a fiery passion unlike anything I've seen. Will never forget the Warangal trip and taking part in festivities. One of my bestest friends since the day I stepped in campus... elite genetics, coolest brahmin, best gaali delivery, cleanest bed mattress. The person who I try the hardest to roast as well as impress. agar ye nhi hota to maybe aaj mei footballer nhi hota. (bhai rm ko support krte hue bore nhi hota kya) Maybe my biggest achievement in iitg was to have cpi greater than you. Also any trip feels incomplete without abibhai. The best moments in Mumbai trip were because of you (iykyk) So get well soon so we can have lots of ghumi ghumi together Anyways 6-10 mahine hogye par ye toh hazard banke beth gya..

AARYAN PAWAR

Abibhai hai mr perfect.. smart, Sharif, sanskaari, hot, topper, aur kya chaiye. Isse zyada organised banda nahi dekha. Har sports khelta tha... Fir aaya ek canon event. Unfortunately hi sahi, bhai ne medical fees to vasool Karli. Par acha h left haath tha (iykyk) Ab injury ke baad bhai banega agla Indian Idol. Ek hi baar gaaya par kya hi gaaya. Pune walo apni bandiyan bachalo.. AbiBhai aa raha hai.

MANWAR MIHEER AVINASH

The bestie! The neighbour! The daily sham ki chai wala partner! Bro was literally there for me since day 1 of clg even bags uthane guest house aya tha. He's the only one who supports the right player and team in every sports with me. There won't be a course which brodi hasn't taught me. Bro is pro in any sport he touches sadly last sem neymar ban gya. Get well soon Abibhai! Always in my heart!

GAURAV MAHATO

You gifted me best day of my life. College life me socha nahi tha ki itne gehre bond bana baithunga. I wish moments can last forever. Har BT me smphaala, galti pe daanta bhi, trips me enjoy bhi kara. Abhi bhi yaad hai vighnesh library me bola tha "Gaurav jaldi chal datta ki placement lag gyi".....Cycle jitni tez chala skta tha chalaaya taaki lohit pahunch jaunga jaldi. Bhn ke lode ka chehra dekhna hai. Launde hai to senti hua ni bas ek hug tha. Uss moment me jo khushi hui thi wo saayad nainital level thi. That was also the first time jab maine GPL lia tha kisi ka lol. Kya khush tha yaar bhai tu. In coming years where I recall my college life. I'll recall a short guy looking out for his bros in highs and lows, jiski khushi dosti nibhaane me thi. I'm lucky to have you bhai. Remember me..

VIGHNESH DESHPANDE

Datta yaar tu literal definition hai mere liye "bhai" word ka. Dosti nibhana koi tujhse seekhe bhai..... Chahe kaisa bhi situation agar Dutta tumhara dost hai woh tumhare peeche khada hoga humesa. College ke starting se you have always been with me bhai through thick and thin, aadhe sems mai toh apni spis bhi same aayi hai lol, and aage bhi saath hi rahega. I can't thank you enough for always supporting me and being there for me. I am so fortunate ki tu mere life mai hai Bhai tere motivation se inspire hota hu mai.... Jab thune kuch thaan liya hi tu woh achieve karke hi rehta hai. Tech mai bhi ekdum machau... kuch bhi task ho Datta sir implement kar hi denge. Tu bahut machayega bhai life mai. All the best bhai baki teri shakal toh roj hi dekhunga shayad ab toh. Love you soo much bhai!

DHAIRYA AGGARWAL

Datta, apan pahli baar 2nd sem mein mile the disang mein, yaad hai ? Tab jyada baat nahi hui thi but we knew each other. Fir 5th sem mein Navratri, Diwali sab apan ne saath mein manaya, bohot maza kiya and uss time bana hua apan sab ka group last sem fir active hua and now it's proudly The "Jue ka Adda". Bohot maza aaya bhai tere saath interact karke, a short guy from Lucknow with always smiling face and ready to help. Tujhe kabhi jyada BT lete nahi dekha and machau toh hai hi tu. Apan ka last sem ka fun hamesha memorable rahega and especially Finalis performance jo itne kam time (few hours) mein prepare kari apan ne....Fine wine lagake chhod do na sir sabki placement toh lag hi chuki hai....hahahahaha. All the best for future and stay in touch....ek din firse sab jue wale assemble honge.

GRACE MARY MATSON

hello bo, i think you were one of my first hindi educators here in guwahati and that is how our friendship started online. somehow we got rooms opposite each other and then you made me hate cats and most of the time i would just follow your lead :*) because i am definitely one of the most discerning and sensical and subtle people you know :) ("wow what a nice watch can i see it?") thanks for knocking whatever sense you could into me :) what i love most about you is that you don't feel the need to ever prove yourself, and also that any feedback that you give, whether good or bad, is unfiltered and honest all the best bo for your future, shift back to hyd, we can take late night autos again :)

JOSHI ADITI

I'm going to miss our random corridor run ins sobsss. ML gawd and fodu in every course, never found a guy whose vibes match so much as mine - geeky, introverted, a bit quirky. We made so many memories together in this campus, I will remember them all!! Life me safal hote rehna, job ya higher studies jo bhi karo, all the best to you in your life ahead!!

AMIT THOMAS

Met you in SSC, thereby forming the cornerstone for our department's legacy within the club XD A complete lab rat, didn't realize how crazy good you were at research until much later! A kind and quaint soul, always great conversations. Have fun at UCSD, expecting to see a Dr. Bhavik soon :)

CHHAVI NATH

Yo digital artist and ml gawd meeting you before even coming to college and then getting same hostel lol we made so many memories. wandering in delhi together to roaming in campus together, every moment with you was delightful, Try to be more social and best of luck bro

DEZYL SOLANKI

Flipkart intern ke baad wala room" is the room of probably the most influential guy I met in college, whether be his fashion, skincare, photoshoots, playboygiri.. I'm always taking notes from him. And how tf is someone excellent at any sport he touches (except smash kart). "canteen se 20 wale kurkure leta ana" was his daily mantra. Also the OG apple promoter, although now he has moved on to other things like nike and ps5. The most fun banda when he fights with anyone(or me). Also before ss naraz ho merpe usko bata dio uska bny oa kisne karwaya tha. abibhai ke best friend to h (maybe after khokha rental wale bhaiya tho) ps. mei nahi sunta tere calls chahta to puri mahabharat sun leta

ATUL NAYAK

bonkers, air jordan, ps5 yeh sab sunte hi bhai ka naam yaad ata h, lavish lifestyle aur photo to bhai ki vivid mein hi honi chaiye. Exam se phele tension bahut leta h phir bhi nahi padhta. Aur humne 8th sem mein music studio launch kiya power ke sath milkar abhi gaane viral hone baki h. Aise hi chill aur no fuck attitude rakhna aur mumbai mein shanaya se milkar bhul mat jana.....

AVI NAGAR

Singer. F1 Driver. Spardha Bowler. Bieber fan. Sportsman. Boht TT khela iske sath (boht haraya bhi). Football khelte khelte hamesha cramps aajate the ise. He plays like Ibrahimovic. College me sabse ijyada transformation isi ka hua hoga. Mess ka khana rarely khata tha. Boht calm and composed hai. Kisise Jhagde hote hai to gate band karke samjhata hai. Aap Mumbai ja sakte hai!

Thank god we moved from awkward disc call for Team Glitchpop to bonding over cats to having the most random chats (alongside some sappy stuff) about random bs. I thought I finally found a book buddy... just to realize you never start one (I am trying to guilt u into reading more.). You do have a goated taste in music tho(adiye for lyf). And yea... you have to get a cat, they are the best pets fr.

ADHRUTH GANESH

the more i got to know you, the more i wondered how can someone be so truly nice and sweet and at the same time, borderline psycho too (i'm being polite here). but credit to you for masking it so well. us making silly little jokes about everything and each other was always fun, and in the end it was often your niceness, lameness and your thoughts that made everything more fun and memorable.

SRI KANISHK S

From sleeping through horror films to completing assignments just minutes before submission, you were always there by my side. You call yourself funny (which is not entirely false xD) because those jokes during those late-night walks kept me sane through the most challenging phases. I made memories that are impossible to forget (T_T). Thanks a lot for the last four years!

Memories bring back you

Best memories in campus ?

The first ever sunrise and sunset I saw across those lakes (ା... ିୟା...)
But the late-night walks definitely win this round.

Biggest change since first year ?

Started leaning more towards going with the flow. Oh, also waiting for the washing machine has taught me more patience than waiting for the LAN to reconnect during a binge-watching session u_u

One thing you learned from here ?

A lot. Being more level-headed (in scenarios I definitely didn't want to be in) would be the most important one.

One thing you'll miss the most ?

The late-night walks and mutual rrs

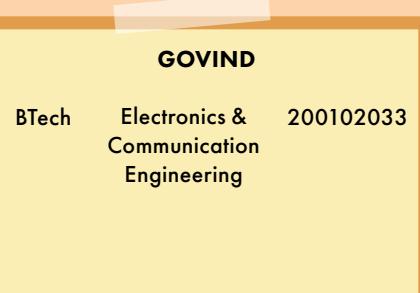

One thing you'll regret not doing ?

Not visiting the first time we were called to campus :/

AMRESH PRASAD SINHA

Hey GM! Lol, idk how to start either. We met on Unacademy, and I think it was the piano video that caught my attention. Later, we ended up in the same group, and those times were so much fun. Never thought we'd end up in the same college too - only found out when I saw you at Techniche! Life is indeed full of coincidences. Your Hindi has improved a lot. Earlier you faced difficulties understanding, but now you're a pro at talking and writing. Maybe because you ace wherever you put your efforts. :) Keep going and excelling like always. I know you'll do something awesome in the future, for sure. Don't forget to invite me if you're building something! Miss your cutie little brother too <3 Don't forget me, and please invite me for homemade food whenever you're in BLR. xD

Have made fun of this poor guy for far too many things, KFC etc. etc. XD One of the biggest gamers I've had the pleasure of knowing on campus, those discussions were always amazing. Aur ho ske to blr aa jaa wapas . mujhe pata hai tera shareer hyd jaayega but dil to tera LOCL me hi hogा xd

Room se thodi der baahar niklo to ye dikh hi jaega has been constant throughout my college life. Literally campus ke pehle hi kuch dino mil lia aur iska room pura uncensored use karta tha chapai ke lie. Saale pehle impression me meko laga ye senior hai aur bhnchod mai chutio ki trh unnecessary respect deke baat bhi karta tha lol. Glad that I got that confusion cleared isse pehle ki tu PDP le sake hehe. Our first day of campus exploration is definitely going to be something that I'm gonna remember.

SAKSHAM KUMAR

Umangasaur. Hum 3rd sem mei online mile thhe aur saala ye mera interview liya thha ki mai chhapai karunga ya nhi. Uske baad online sem mei jo hua rest is history XD XD. Smashkarts aur discord/meet mei bakchodi yaad rahegi bhai. Brahma mei exam se just pehle wale padhai session bhi yaad rahenge bhai. Bahut mehnati aur tezz ho bhai. Bas yahi maintain rakhna sab sax sux hoga. Amdavad ghumane ke liye hridaya se aabhaar. Bas bhai, yaad rakhna. Bangalore/Hyderabad/Mumbai kahi na kahi mil jaana.

CHHAVI NATH

Bro is a good friend, I can't recall when was the first time we talked but we became such a good friend. Man is so calm, hamesha baat krke achha lgta tujhse, also the labs lol, maybe 8085 ur table was front of our table and I used to ask u each other "lab hua ?" etc etc. when you and meghna were working for design lab I used to tease you both lmao. Why u always wear a cap?. Best of luck for future man. Will meet soon

NITYA TIWARI

Itni baar pucha chai peene ko mana kyu krta hai hamesha (mostly)? Bhai renewable ki class m dekha kitni dedication ke sath padhta hai tu. You deserve alot more than you think and you're really hardworking. I still remember tune hi saara GT ka project kiya tha while everyone else was just having fun in ccd. I am glad I got to know about you from parth and meghna ofc kyunki merese toh kum hi baat hui hai :))

JOSHITH GUBBALA

One of my closest friends I like to spend time with but why u always wear a baseball cap? Love how you come up with cringy jokes but sometimes they are actually good. We had deep convos, shared oscilloscopes, breadboards and spent time even outside college ,remember our small inorbit trip, though we never made it to the Film city :*) It was fun getting to know you. We'll meet again for sure.

Blr mai milte rahna bhai and good luck for your future!!

Kya hi energetic, hardworking aur machau bandi hai yaar tu. I regret not interacting with you more over the last 3 years. Last sem mai kari hui bakchodi humesa yaad rahegi especially endsems ke beech mai aur last ke do din mai joh kari thi lol. Exploring the physics behind the design circle is definitely a highlight of my BTech lol. Ese machate rehna tu bahut aage jayegi life mai behen. Tere se interact karke humesa hi bahut positive feel karta tha mai and I hope tu humesa esi hi khush rahe. All the best for the future! Blr mai full marathon bhagenge saathme. See you soon!

SOHAM PARUNDEKAR

We are not that close huh? Lol, immortal kar dia hai mere is sarcasm ko tumne. Math minor me saath me the but kabhi math ki baat hi nahi ki. Humesha philosophical baatein. Gonna miss those intellectual debates we had randomly in mess and on walks. Always so energetic and cheerful. Stay the same and never change. Wishing you all the happiness and success in life. Stay connected! P.S. tum rationality wale argument ka reply dene wali this vo abhi take baaki hai. Still waiting

Yoo nirupama. Maybe art was reason, maybe ratan or maybe anime idk man we became such good friends. Then you tied rakhi and became my sister. I never saw a girl this much hardworking (exam me dark circle rehte). A and r in her name stands for always right (na bhi ho to manlo kab pit de kya pata lol), making fun of your height etc. 4(2) years with you was really enjoyable. Best of luck for future

PARTH ASWANI

OMG the yearbook picture.lykyk. 4 years ago I was just a guy who got a really introvert roll number neighbour and I had to do the hardest thing that I've ever had to do. To befriend her. Now I can admit that the deal idea was just an idea. Didn't need the deal that many times. But I knew I was waiting for my best friend [o"] Thanks for tolerating my RRs. Thanks for supporting me in every little thing. Thanks for being my Pamela. These years would have been incomplete without you. I wish we get two more years in some other college. And then we can pursue the dreams that we saw in these years. All the best for your life in Microsoft while you deserve way more than than this. Keep Grinding. Macha dena waha bhi Tomprr giri krna waha bhi full. You go good girl

HARSHITA AGRAWAL

I had no idea that we were going to be in the same college, and when it happened, it was the best thing that ever happened to me because I don't know what I would have done in college without you. I'm going to miss you a lot :(, more than I can express. Room mein itna hasna, rona, saaree therapy sessions sab i'll miss Jab bhi sad ho bas bolna "rooom aajaaal!" Whenever I'll get ready, I'm going to miss you because who else will get me ready? Apne late night coffee sessions. KitKats kon dega ab mujhe? YOU'RE NOT JUST MY BESTFRIEND BUT MY FAMILY. Thankyou for being there through it all. Always rooting for you and sending you all the luck and love for whatever comes next! Always alwaysss here for you and I love you more thanÂ youÂ knowÂ :))

ARYAN AWASTHI

Thanks shuru mein mereko push krne k liye to study - ye kar, yaha se kar, doubt puchle. Thanks for all!! All the best aage k liye, ik you'll achieve great things. I am glad our roll no.s were close, else college would've been nightmare for me. It all started with listening to your RRs in online sem (still listening) and then studying together, going to trips, watching thriller movies, going out, cooking, night outs, going to prom and what not. Just staying with you and doing nothing is also sooo comforting, thankyou for being my safest place :))

Started as the neighboring roll numbers and ended as the best friends. Can't imagine the last 4 years without your support and presence. Had learned a lot from you. Shown my anger many times for your jokes. Had fights and fun at the same level. Will always remember you whenever I think of this college and time. Thanks a lot for everything. All the best for future endeavors. Never forget me:)

AMIT THOMAS

Another family member at this point XD Most curious person I've ever met, hope you keep that flame alive. The sheer number of hours we've spent breaking our heads over projects is ungodly. Never cease to amaze me with your insights, have learnt so much from your unique perspective. Cannot forget the times and classes we shared together. Will catch up, in the meantime, all the best!

BISHAL MONDAL

The ultimate Topper of class, with extreme concepts and understanding. Always wondered how you continuously got 10 SGPA. Always felt great interacting with you and Manas memories with you will always be in my college diary. All the best for your next journey.

Amazing dancer, an excellent student, a cricket fanatic, a fellow RCB "lover", a good friend. Didn't know you liked playing video games until the last leg of our B.Tech life. You are very cheerful among all the seniors I have ever came across in campus and also one of the main reasons I have continued in TEDx. Best senior I have ever met, I treat you more like a friend. One of the very few people who tries to help others without expecting anything from them. Your energy is unmatchable, had a great time dancing with you. Have a great time ahead and be as pure as you are

FAREENA ANSARI

Hey there my beautiful prom date! I still remember photobombing your pic during 1st offline class in LH. Kisne socha tha that would be the start of something so special. One of the very few people on campus I wish I had spent more time with. One of my earliest friends & a constant in my 4 years of IITG journey. I found a friend for life in you. Thank you for being there for me during the placement season. Gonna miss all those movie & La Pinoz dates, those long walks in campus & raaste me couples ko judge karna & obviously Cepstrum parties. Jab Siddhi campus aayi thi tab I realised how caring you are. Stay the same & never change. Have a life full of happiness & success. Stay in touch always! Reels & snaps bhejte rehna. (Drunk texts & calls bhi karte rehna xD). Miss you & love you 3000!

Hedge, Hijde, Saand, Gyandu, Kaddanigga. Bhai ki khane ki capacity ke liye respect. Ab yaadon pe: Hum mile thhe 4th sem mei jab offline hua thha. Pehle mujhe laga ordinary launda hogta anime football ki baatein chodta rehta hai. Fir malum pada branch opener hai MKC. Fir dekhe quiz mei marks, gaand hi fat gayi bc. Bhenco bolta hai paper chud gya fir number le aata hai harami. Subah uthke padhta hai gaand fati mei (saand syndrome). Placement mei tagda comeback maara (CP Gawd). Baaki bhai ki athletic arc ke liye massive respect toh hai hi. Disang mei kitni bakchodi kari bc. (Goes without saying, must ke maal ka maza alag thha) Bas bhai bhul mat jaana. Shaadi mei bulana. Bangalore aaun toh milna. Last but not the least. Canteen aa rhe ho?

SAKSHAM KUMAR

Saanpskar, Snapskar, Bhosdiwal. Acads aur naukri ki baat karunga toh cliche ho jaaega. Toh kya na karu, bilkul karunga. Saala pehle 3 saal department ki gaand faadi fir aakhri saal pure batch ki hi gaand faad diya XO XO. Kitni mehnat karni padti hai saale ko daaru pilane ke liye. Chutiya bahane deta hai saala, "mann nhi hai" lauda lassan. Meetha saala scooty pe baithne se darta hai XD XD. Dilli aur Gujarat trip yaad rahegi bhai. Core 5 ka paneer paratha aur kachori yaad rahegi. Bangalore mei ghumna, City jaana, khokha mei baithna yaad aaega. Serious stuff: mehnat karna koi tumse seekhe bhai, dedicaton, devotion, disciplince, determination ki bharmaar hai bhai ke paas (shat shat naman). Bas bhai, bhul mat jaana. Shaadi mei bulana. Bangalore aavn toh milna.

SAMARTH UMAPATI HEGDE

Sanskar Kejriwal urf Keju bhai is the definition of typical IITian. Isse bda ghissu maine abhi tk nai deta. Agr bhai ne kuch thaan liya ho toh pura jroor krte hein, Saala roast bhi krna seekh gya akhri saal mein. Bhale hi mein intern mai nai tha , pr voh metro mein sticker vaala kissa hmesha yaad rhega. Akhri sem mein saala hr bar "ghat?" likhta tha , pr jb plan confirm ho toh sbse phle backout bhi yhi krta tha. Cricket mein single lene ka ustaad. Bhai ki keeping bhi next level. Last minute ghat sessions ho , bhai ka "dinner where?" message ho, ya bhai ka cricket mein "Dutta spin daal" isime akhri sem nikl gya. Banglore mein bhi saath hi h, toh aage bhi aise hi bkchodi jaari rhegi. Aise hi mchaate rehna aur zra hume bhi thode rizz skills pass on krna :)

AYUSH DATTA JAISWAL

Kejru sir! 9.8 lane pe dukhi hone wale dost mere! Jo bhi thaan leta hai krke dikhata hai!! Work ethic>>>, Jabse mile hai tere andar evolution dekhta rehta hu! Sab manage krleta hai - Intern me pura Bangalore hi ghoom lia ab to kuch bacha hi nai lol. Wo tera Metro me sticker lagane wala kaand hamesha yaad rhega lol. Soo many memories to cherish be it trips, acads, projects, ghat sessions, cricket, patte (although tujhe pasand nai lol). Tera bowling ke to sab fan hai hi lekin teri batting - next level. Single nikalne ka game ho to koi as pas bhi nai. "Spin daal bhai" sun sun ke mera 8th sem nikla hai lol. Bas aise hi machate rehna aur apne sath hame bhi motivate krte rehna aur haa apne friends ko friends ke aage bhi badhao bhaii. All the best yaara!!

The desperate learner of ECE. The person who likes my height too much. Thopp player of Mini Militia. Anime lover. One of the best people I met in our class. Enjoy life to the fullest bro. All the best for future endeavors.

Vighu bhai Inter ke time se ache se janta hun tereko. Bhai campus mein terese better multi task koi nahi kar sakta. Ek sath software ke saare PS + SWC + doston ki placement bhai pata nahi sab saath mein kaise kar lete ho. Lekin best memory toh subah Beach pe bakchodi ki hai, specs ke liye sorry :) Aur final sem mein toh shayad mein teri hi checklist pe chal raha tha Dibang, ViewPoint, FoodCourt, BR, GHM and what not, bas bowling nahi sikha paya Tere room pe kitne hi sabse memorable sessions hue hain chahe patte, padhai, after ghaat, life in general ya bakchodi jisme tu neend mein hoke bhi nahi bhagata tha sabko aur Finalis toh epic tha apna. Also, pls logon ko mana karna ab toh seekh le Teri ghaat ki kurabni ke liye, ek party toh banti hai, jaldi milte hain. All the best bhai, love you <3

SANSKAR KEJRIWAL

Bhai tere bina college life imagine karna mushkil hoga. Tu saale insan hai hi nahi ho hi nahi sakta too much selfless, caring, sweet, helpful etc ek saath kaise bhai. Too much machau and manages everthing. Saath mai breakfast karna, class jana, projects banana etc. tu hamesha saath tha. Sine wave of the batch saale kahi bhi gir jata tha but mast banda hai bhai tu (ladkiyo ko green forest pasand nahi aate bhai). Sorry bhai last semster ethodezyadamaze le liye but GT karna important tha. Terese lifekebaaremaibhautkuchsheekhna hai. Blr jaake to tu tech bro ban jayega but milte rahna bc bhul mat jana saath mai rahne ke plan ki mkc to kardi tune. Aur bsdk mai kya tereko milwaunga logo se u will have more connections in blr, tu milwana muhje;) You are made for big things and blr mai kuch karte hai:)

DHAIRYA AGGARWAL

My partner in crime everywhere be it Dibang and viewpoint jaana ya fir Finalis mein perform karna, tu nahi hota saath dene toh possible nahi tha ye sab. Jo apni energy and habits match hoti hai na, bilkul bhai jaisa lagta hai tu. Tujhe kuch bhi bolo help karne ke liye ready hoga aage, bina bole ham sabke no dues karwa diye saare sign...hats off. Jue ke Adda ka kaafi integral member jisko uske room aake pata lagta tha ki waha already 10 log patte khel rahe hain...lol. Acads, itne responsibilities and unke alag kaand sab mast sambhalta hai tune. As we discussed that day in Siang, kaafi kuch seekha hai in sab cheezo se, jo life mein aage kaam aayega. Toh aise hi haste rahna aur aage badhte rahna. Aur marathon saath mein bhaagne jayenge iss baar. Stay same bhai, All the best. Stay in touch.

It iz what it iz

Best memories in campus ?

All the late nighters in SWC and CC, late night patte and cricket, all the trips, working for Inter IIT, the 4 AM deep convos and obviously end mai fence kud ke Dibang aur View Point jaana. The list goes on and on.

Biggest change since first year ?

My entire personality lol. From being a shy nervous unconfident introvert I transformed into someone who is ready and confident to face the uncertainties of life ahead. I now understand the importance of focus and commitment.

One thing you learned from here ?

Learnings are infinite: Never give up before the end, focus only on one thing at a time, confidence on oneself is the key to most problems (Chill hai hojaega bolke kaam start kardo). I learnt what it means to be friends with people. Choti choti baato ka stress nahi lena hai overthink nahi karna hai

One thing you'll miss the most ?

Woh random deep convos, khokh jaake ghanto waha baithe rehna, kisi ke room pe baithke logo ko roast hote hue dekhna, impromptu plans bana ke kahi bhi nikal jaana and obviously ghat pe jaake bakchodi karna

One thing you'll regret not doing ?

Har samay jitna ho sake usse zyada kaam mai commit karna as quality of work pe impact padta tha uska

SONI AAYUSH

Puchka, dhompei, injapinja cutu.Hi Poowuuu!!These last 2 years of our college life you were the most important part of my life. From being under-confident, and easily affected by what other people think to be that strong confident tough girl, I have seen you grow. Your sweet character of seeing people innocently is one of my favourite things. Thanks for always asking Soni Kya hua bata merko, Tu batasakta hainna merko, you have seen and gone through my all phases which I also don't know lol. The Joey talks, your Marathi sweet slang, your Bhandi accent, you showing me all Bollywood movies and all those Scooty lessons, trying to be the perfect passenger princess and those rants will be missed a lot<3. PS: We consider you as our DSC member. Pretty pretty <3

RIYA GUPTA

Likhna hai kya tera testimonial? So many thoughts, so many emotions that idk how to pen down. Tere bina clg life hoti hi nhi meri kuch. Pta nhi kahan se mil gyi saali bkl and kab itni imp hogyi. Koi aisa emotion nhi hai jo humne ek dusre ka na dekha ho.. from extreme hasna to extreme rona, from ek dusre pr gussa hokar chillana to fir ek dusre ko manana, overthink krna and fir therapy dena sab dekhliya bc. Koi aisi major memory hi nhi hai clg life ki jisme tu na ho. Thankyou for simply existing and making my clg life much better. Best support system I could have asked for. Chahe jitna bhi mazaak uda lu but open up hona toh sikha diya mujhe tere meethape ne. I know I have earned a person for life now. Ab rona aajae usse pehle bye

VANSHAJ BHARGAVA

Aur bhai Steve! Pehle, i knew you as Soni ki bandi but jaise jaise time nikla, we became best friends and im glad that happened. Extended DSC member, accept kar lete hain ab ki hum 7 ke baad sabse pehla call ghat bulane ke liye tujhe hi jaata tha. Ghat memories to hain hi itni apni, but those ghat to core walks jahan sab kuch ek notch upar leke jaate the apan bakchodi mein. One more thing iâ€™ll miss is KV chai sutta sessions jahan duniya jahan ka discussion ho jata tha. Also, tereko stay in touch bolne ki zaroorat thodi padegi, apan to mil hi rahe hain. The nicest senior u can get, like a big brother, who treated us like kids, 1 of the most disciplined guy 2 learn from. Sirf aapke present hone se hi club me itnaa josh bhar jaata tha, u were the like the soul of it and now the vibe will definitely not be the same without u. Known you for only a semester but it feels much more than that , probably the most memorable sem of mine.

Really gonna miss you and aapke aadhi raat ke wo dohe xd. Aapke bina club almost adhura sa hi lagega . Ab roz-roz to ni milne wale aap club me but fir bhi salah mashwarash leta rhunge "Chote I and bade L " type cheezo ke liye , xd . I think I must be the most random person you have met in campus (ig so) . Just think about it for a sec , u meet someone jisse pehle kabhi nahi mile ho and then going to prom with him and that to a junior , I was really lucky I would say , tbh we met for like just 20 days in college , although I wish I had met you sooner, loved your vibe fs, I will definitely miss all the time we spent together and all those extra long walks and candid conversations we had bc kab subah ho jata tha pata hi nahi chalta tha . I dont know what to write , i have a lot to say but that's all for now Wishing you immense success and a life filled with happiness lastly i would say , stay in touch and hopefully will meet in future .

Sheeeeeshhhh dp. Jolly, witty, funny, wise bc adjectives kam pad jayenge tujhe describe karne mein. You were always so fun to hang out with that I could never turn you down whenever you called, whether for Ghat or Brahma. When I jokingly said that you hate me you took it seriously and came to clarify that you don't(which lk coz ofc l "joked"), that's when I feel we got close. Bhai tu "joke kr rha" bass mat bola kar mujhe after every unhinged thing you say, coz I'm not certain someone, who gets offended ;). Aur Bhai, itna late profile kahe banaya. Par joh bhi bhai, Terese calm Banda nahi dekha. Placement ke time hi ijada baat honi start Hui, uss time tujhe dekhke hi khudko calm karta tha. Thanks for that. Baki bakchodi mein toh mast vibe karte the and woh dinner table pe side table ke discussions, humesha yaad aayenge, xd. Ab aur ijada nahi, par hoped ki phle milein hote. Baki Mumbai mein toh ab tere Ghar pe hi party haha. All the best Bhai and will stay in touch !

ABHISHEK ANAND AMBAST

Bhai, jitna bhi time humne sath bitaya hai, chahe woh late night cricket ho ya last ki Tawang trip, bhot shi time tha yar, Aur bhai, thoda jor lagake bowling kar, pace aayega tabhi toh asli maza aayega! Life ho ya cricket, thoda speed zaroori hai. Aur mere double meaning jokes pe tere slow reactions, bhai, epic hote the! Woh priceless moments hamesha yaad rahenge. LOL! Ab mumbai me milte hain :)

VIVEK KUMAR

Meko annoy karne me bahoot maja aata na tujhe. Jab se jaante hai hamesha meko tease karta tha tu Fir same lobby me aaye fir to roz hi. Pata nhi kya-kya nautanki karte rehte the hum dono, par maja bahoot aata tha. Bahoot daraya hai tune, wo bhi dil rukwane wale. But it was too much fun being with you. You made my hostel life memorable. All the best for your future bhai. And yess, milte rahenge :D

ROSHAN KUMAR

Hello sir, I have so much to write about you and yet my procrastination and (job) made me do it in the last moment. This guy right here is the definition of how ideal college life should be - excelling at every phase of life be it clubs department, or any other sport. The only guy who was more hyperactive than me who I can just say bhai arnav chal khelne and he is like bss bolde kya and I will be there. Tere jaise dost milna is muskil but you were a constant at every inter it , CNA, brahma and har club me pada hota that. All I want to say is good knowing you since one of the earliest day and all the best for everything in future, also bhai aa gya delhi jaldi milte hai , hope to see you soon and raise hi machate reh. Also Hazarika me thoda kam toh kar leta lol!

VATAN NARANG

Kya kya likhu. Nhi tu khud hi bta kya kya likhu Tere kisse mere se jyada koi jaanta h ? Tera har cheez me ek extreme pe rehna, mere se jyada kisi ne dekha h ? Saale ab to Pune bhi saath aara h. Koi end nhi h iska. Ha I mean this, mtlb breakfast ke liye vha bhi tu hi utha rha hogya mujhe. Always proud ki tujhe daaru maine pilai pehli baar. Ye nhi pta tha bs ki bhand harkate bhi itni jldi krne lgega. Bhand nhi bhi hota to bhi har 10 min me room pe khane aa jaata h, ya ye batane ki bhai padhai nhi ho rhi. Kyu ki main kr hi nhi rha, aaj to F1 ki race h na. Saale ko adventure itne pasand h par bhooto se gand fatti h. Ab kya kya likhu chd. Word limit h Tujhe to all the best bhi kya bolu. Huge package, foreign admission, UPSC preparation on tips. Gzb bhai, bade log

SOHAM PARUNDEKAR

Bhaago bhaago Hammer aaya!!! Sabse chill banda hai Arnav. The only guy other than me jo subah uthke, breakfast karke padhna start karta tha. Bakchodi karne ke liye humesha ready. Last semester bohot maza kiya saath me. Judgement to bohot badhiya hai bhai ka. Cricket and patte khelne ke liye kabhi bhi bula lo. Arnav ko run-out karna mushkil hi nahi, namumkin hai. Tu nikal mai pohoch jaaunga. Mehnat to karta hai lekin bhai. Iske room ke deewar iska proof hai. Jisko bhi tera room milega uspe bohot pressure rehne wala hai lol. Anyways never change the way you are. Wishing you a life full of happiness & success. Stay in touch always! Marathi seekh lena Pune me. Teri intern ke time Mumbai wali kahani is legendary. Mai bhi try karunga tere jaise Taj me ghusna.

Best memories in campus ?

Doston ke saath raat bhar bakchodi karna phir patte, cricket, scooty trips aur Auto club mein pura shaam timepass karna. Aise hi campus ghumna logon ke saath aur last mein Dibang aur View Point.

Also campus mein scooty se round lagana.

Inter IIT Tech (3 yrs) aur CnA mein kaam karke maza aaya kaafi.

Biggest change since first year ?

Life se dar lagna thoda kam ho gaya hai aur introvert tha ab sab se thoda bahut toh baat karna sikh gaya hun.

One thing you learned from here ?

Doston se jyada jaruri kuch nahi hai and jo hogya dekha jaega

One thing you'll miss the most ?

Kabhi bhi doston ke room pahunch jaana.

Har shaam ko

-- Khokha chalna hai ??

One thing you'll regret not doing ?

Ek hai par . . . , however last sem mein jo kiya pehle kar leta toh maza aa jaata.

YEARBOOK

Best memories in campus ?

Raat 2 am ke around walk pe jana dosto ke sath . Jo main hamesa miss karungi. Exam ke ek din pehle sab sath me milke padhna and sochna kya padhke pass ho jaye. Dosto ke sath walk pe jana.

First year main mai bohot sidhi thi qki online tha kisisko janti v nahi thi . But end Tak pohochte pohochte bohot ache dost ban gye. Aur unse bohot kuch Sikh v gayi so ab no more sidhi .heeeeeheeee

One thing you learned from here ?

There is a solution for every problem. We just have to give some time to it and have patience.and all the people who came to ur life are not going to always stay with you ,at some moment they gonna leave and u have to accept that.

One thing you'll miss the most ?

The time I spent with My bestie , snake girls ,and some people who are special and important to me.

One thing you'll regret not doing ?

Not knowing and talking people from first semester.

Saala kisi se bhi mile to aise baat karega kii janam janam se dost ho. 1st year mai campus aake hi mile the tabhi pata chala ye to rizzler nikla. The Don didi! Of IITG only a few knew of, for obvious reason. You want easy going awesome trips at cheaper rates, go with her. Its that simple. If there was a way to dissect people brain and extract info out of it, her brain would be the most expensive reserve of memory, with secrets of almost everyone happening person in the campus. It was great knowing you, had lots of fun with you at campus, be it playing uno, poker, or just hang out at autoclub for deepavalii making rangoli, will always remember those. Be the way you are and never change, always be the Don you are. All the very best for your future! And ofcourse Gurudongmar lake ka pani le auuga tere liye. (P.S. I wanted to speak my mind more here folks, but I have received death threats from certain someone, you know who.)

PAWAR FALGUNI MAHENDRA

5 years into this friendship, wow time flies I still remember the first day you joined coaching, how shy you were to be there. But you quickly opened up and after so much struggle we reached this college. First flight sathme li thi, and brought covid to campus with us lol. It was scary back then, but I was glad you were my roomie You always supported me with a hug or company whenever times were dark for me. I have seen you grow from the sidelines and it was amazing to see you come out of your shell and show the world your true self. I saw you laugh and worry and everything in between, with the most innocent of mind. I am gonna keep our memories on top shelf of my mind, for all the moments we shined together, will build up my courage for tomorrow. All the best, go burn the world <3

ASUTOSH MISHRA

Personification of Forgetfulness Jyada interaction to ni hua until last semester last 15 days to be honest(lmao). Koi itna bhulakkad kaise ho skta :-), khud ke HSS ke baare me bhul jaati(lol). Ek doosre ko fail hone ka BT deke HSS pass kiye h(tbh). This girl is a pure soul and cheerful character but due to my shy nature couldn't interact with you much. All the best for everything ahead.

LAKSHYA

First year m mila tha, bhai apne papa ke sath tha. Tb se mostly ek sath mess m khana khaya. TT and volley ball final year m jitna bhi khela sath m khela. Bina reason k bahar nhi ata h bhai room se. One thing which I learnt from you, "Hm bhi kisi se km nhi. Trust on yourself till the end.". All the best bro, May you get everything you want in your life.

ABHISHEK KUMAR

Quite simple and disciplined banda h. Pro in playing volleyball, akele team ko jitane ki capability rkhne wala. Sikkim trip was best with him. Volley ke liye jb bulao aa jaata tha. Class me proxy aur reels me help k liye thanks. Gurgaon me milenge and still a lot to go bro, best wishes.

MANISH MISHRA

Meri wajah se is bande ka breakfast chhotne se Bach jata tha, din bhar room mein ½ rehta hai aur raat mein dinner ke baad 100m walk karke khana pachata tha, at last yahi kahunga. Samaj ke 4 logo se isko bahut fark parta hai. Best of luck for future

Hey yogitha!!! I don't exactly know how I got so close to you but talking to you was so wonderful. We met first during our gs intern interview and then every time I met Amrutha, I got more close to you and her friends. You are such a sweet person and meeting you in washroom >> thanks for giving me the final goodbye in disang and clicking such wonderful pics. You have a contagious smile and I love that about you a lot, you always made me comfortable while I was in group of Telugu people and I was practically understanding nothing. The very thought of you doing a HMC farewell made me feel so good and satisfied. Thanks for that and one last thing denge xd xd

Hey Bhargavi D, How can someone be so wise, rational, and insanely dumb all at once? And your commitment to acads is insaneâ€”attending every lecture, even without attendance, and even audits (the most insane part)? You're one of the most empathetic people I've met. Thanks for saving my ass from end-sem failures, giving me reality checks (I hate but need them), and all those punugulu treats. Thanks for being my partner in those long, meaningless philosophical discussions. Adi and I trolling you are some of my favorite moments. You've made my campus life bit more beautiful and memorable. I cherish our time together. Thanks for everything, and bye. Regards, Kesava

Abhi bhi yad hai pehle mere soln aur asgnmnt mangne se baat start hui thi wahan se Auto & InterIT, aur phir Sikkim, Tawang, Pune aur Mumbai, tere se iyada trips kisi ke saath nhi hui Class mein mere out hone(soone) pe tere uthane se lekar terekko out hone pe uthake ambulance tak le jaana bohot hi memorable rahi hai yaar apni journey. Terese helpful aur dil ka saaf banda aaj tak nahi mila, apni health ka thoda dhyan rakhna saale durson ki itni bhi help nahi karni hoti ki khudki lag jaye. Bohot kam aise log honge jo itna selflessly kaam kiye ho not just apne doston but sabke liye. A man with GOD level time management skills, I still can't understand what motivates to work with like no procrastination. It's been a long time knowing you bro, from the very beginning in autoclub, man the transformation you've gone through is just awesome I think everyone will agree to that, from sweet silent person to a guy saying BC in every damn line (loved this). And how can I forget the Sikkim trip, THE CHAI LOVER! Bro loves chai like his wife. And he drinks tea so damn fast (be it piping hot or cold), that if there was a race for drinking tea, he'll be the winner all the time. You made all those discussions and uno sessions in autoclub memorable, be as you are and keep inspiring people as you do. All the very best for everything in life!!

ROSHAN KUMAR

Hey man, It was really great knowing you as a person who has inspired me a lot , always wondered before joining college did IITian had extra brains or what but yeah when I saw you I realised its just unwavering commitment to work and passion towards the things you do. You had always motivated me a lot , Tho initially I just knew you by name from Auto and especially Ritesh however when I met you in person all I could say was none of them were exaggerating. Will never forget the biryani sessions and late night poker on the last day. Always take care of yourself and keep inspiring people. Hope we may cross paths someday soon and hope you succeed in all your future endeavors .

Let your aura speak for you ;)

Best memories in campus ?

Biggest change since first year ?

One thing you learned from here ?

To value your people more than anything. It's those little moron memories that I will always cherish forever more than anything. Also to keep trying and exploring more and more new things as much as possible.

One thing you'll miss the most ?

Roads?? Library?? Volleyball court?? Hahahaha, it's hard to name one. Walking on IIT Guwahati's roads with your friends, with trees on one side, lake on the other side and you just close your eyes, look up and take a deep breath. That AURAAA hits different.

One thing you'll regret not doing ?

Not trying all the sports

NIDHI JAIN

Ichichchhaaa I don't know how this bond has become so strong in a few years. You are my buddy in everything: foodies, HMC, Microsoft, volleyball drill partner, ghat, trip etc, etc. The best moment was when you pulled me up on your shoulder and literally walked me through the court. loved your smashes, wala arc, and your power. Thankyou for always standing by my side (broo tera naam daal rhi kal match h dekh lena will always be constant XD). Always be this energetic and full of life. milte rahena and batao kab chalna h goa :)) hehe:)

My first campus friend and btp partner. Met as a fellow Assamese friend with same home town, but graduating with tons of memories as a brother. Probably you are the reason I could remain calm in all the projects and courses that we have done together, making my campus life incredibly smooth and easy-going Log pai thakim bhai.. Best wishes for your future endeavors

BHARGAB KACHARI

Multitalented guy whether it comes to billiards, cricket, football or judgement game cards. Our 1hr HSS preparation before exam were the best moments, creating our own theory to reach the answer, dont know about the process but the answers were always right shocking. At the end best wishes for your future bro and do keep in touch always.

ANGSHUMAN HAZOARY

I will never forget you Karan. Your simplicity is awesome. Net se dhoond dhoondke bohot assignments karke diya hamare liye...thank you for that. We had good time together in Tata Steel, I would not have survived that time easily if a friend like you was not there. You are calm soul who is always grounded. Stay like this all the best.

KARAN UPADHYAYA

1st year mai room aa jaata tha kabhi bhi (mai tab cringe harkatein karta tha). Initial impression aisa hi tha parr gradually banti gayi. Pool mai both Karans equivalent. Baaki tere songs ke recommendations aur mere movies ke equal maanta hoon. BC ke baad thoda path diverge ho gaya academically parr everything else stayed the same. Baaki dono ke dukh bhi same hi hain. May you achieve your true potential. Jaldi Bangalore aa jaa. Ek trip bachi hai to say the least.

HIMANSHU SHEKHAR

A person with a kind heart and innocent face. Iska long distance relationship hai but iske bawajood uska galat faida nhi uthaya, college ki kisi bhi ladki ko आँखें उठा कर उथा ke nhi dekha. Hostel ke cricket ke match mein lambe lambe 6 marta th aur senior ke saath bheed bhi jata th. Hamne zyada time train se wapas aate time bitaya. Bhai train ke toilet mein hi lock ho gya th (bazut hassi ayi thi), train mein pattle khelte hue THALA FOR A REASON :) Yesab hamesha yaad rahega. Baaki all the best for your future bhai.

DINESH PATEL

Bhai se first year me mile the, vo bhi Aditya jangir ke discussion ke sath, Bhai bhut dildar Banda hai, sare secret mujhe bta ke rakhta hai, tera N***** ke mail wala message "to kya exam ke liye call ko bounce thodi karte" ye hamesha yaad aa jata bhai, bhai tere room ka ek chabi abhi bhi mere pass hai, we have a lots of memories and funny talks, vo kabhi nhi bhool skte, All the best bhai.... Sab badhiya hogा...

ASUTOSH MISHRA

Overthinker aur thoda jyada sharam karta. Bas yehi dono qualities hata do toh bahut bada achiever banta yeh. Tujhe apne talent ka justification jarur milega future me. Baaki tere perspective se itna bolunga ki "Vellore me Hospital kholna" was better than "Engineering at IITG". Saath the toh maze kiye the , Dzukou Trip was most memorable. Eise hi intent se rha kar bhai,something big awaits you.

Best memories in campus ?

Going on night walks on those beautiful roads, those benches where I used to sit and forget everything. Every evening in khokha, chai and pakora on tapri, doing random gossip session, horror movie sessions, everything about this campus will be missed.

Biggest change since first year ?

College is the best place to explore and develop your personality. I transformed from a shy, innocent, underconfident girl into an extrovert who isn't afraid to express herself. And all those changes happened because of the people around me.

One thing you learned from here ?

Your hard work will pay off, and your prayers will be answered. Just do your work with proper sincerity. Life gets tough sometimes, but that's a test you need to pass. When that phase ends, you will realize how important it was for you.

Tumse baat class, minor aur btp se start hui thi. But final year mein kya hi masti ki hai saath mein city trips, khokha, badminton, random walks and the list continues. Bas yeh kaam thoda pehle start kiya hota toh aaj scooty se u-turn lene aa gaya hota, khair Dececmber mein truck nahi thoka utna hi kaafi hai. Also Dominoes mein kabhi toh tissues khatam ho gaye toh Kaafi movies dekhi saath mein(ek quiz ke time pe bhi xD), but best toh "The Burning Train" hi thi jiske liye 2 ghante Roasted Pot pe ruke the. Also movie recommendations dete rehna. And final year mein inta kon padhta hai, but thanks itne taane sunne ke baad bhi padhane ke liye. Hamesha apna sincere yet cheerful attitude banaye rakhna aur thoda tension lena kam karo sab sort ho hi jaata hai. All the best Khushi

GOUTHAM JYOTHILAL

Every time I sit to write this one, I am forced to rewrite, failing to cover everything because no number of pages will ever suffice for me. Our bond, to me, transcends every listable label- classmates, E-Cell, all those trips, Dihing being my second hostel room, therapist, confidant and every other minor thing one might list. Never thought that the random weirdo whose phone call came one week before 1st year began would become the most important person in my college life. Through thick and thin, the only constant, the only ears I could pour out to. Nothing that tea or talk with you couldn't solve or ease. Indebted forever!!!

TANVI SHAHANI

Krishna, krishna, krishna. Cant decide if you have annoyed me more or made my last year more fun. Would always regret not meeting you sooner. But Inters couldn't have been that much funnn without you. Had the most amazing time with our meets, the Lucknow Trip, the Twang trip. It is so nice to see another organised fellow traveller so enthusiastic about covering allll the tourist spots. Thanks for our visit to Kamakhy too, wouldnt have ever been there if not you. Stay the same sarcastic, enthusiastic, hardworking person you are and meet mee soon(not at airport this time)

KRUNAL PRAJAPATI

Tumse zyada potential kisime nahi dekha hai maine college me. First year se sabko kehta hu agar aapne college me koi dhang se startup chala sakta hai toh voh Baburi hai. Tum product ka gyan dete hue meri itni vocab increase kiye ho ki humme hi nahi pata mai actually me kya bolta tha. Har inter iit me tumse seekha, ps jeetne ka eak ho tareeka hota hai judge ko batli me utarna, and itna charisma toh tumme hi hai ki 11 chalne wale ps ko bronze la ke dede. Machate rehna bro, bharosa hai tumpe (pheli baar tumhare sath hi start kiye the dihing me, thanks for the company)

Btw I feel jealous of your job location. Will meet soon...

Hey Sahitya, Some people make the world special just by being in it; you are one of those people for me . My last year in college is one of the most memorable years of my life, and I'm thankful to you for that. Every laugh, every gossip session, every biryani, and every Oreo shake we shared will be cherished by me. Ahh, I miss those 7th-semester days. Remember that 5D vector solution we did? You have a way of making the ordinary extraordinary, and for that, I am deeply grateful. Hello bro, we shared a lot of emotions together :) I don't think anyone is crazy enough to take a scooty ride to sikkim from siliguri , dog bite @siliguri , you being afraid in the hospital:) that Accoland ride was high we almost went vertical :) Im sorry that I pent out my emotions that day, I need to chill sometimes. After all that crazy stuff, I didn't believe we would be friends again:) don't loose trust over people, you are a really good guy just misunderstood at times, if they are lucky to stick with you long enough then they will see who you really are. I wish I met you in my 1st year we could have done some really wild stuff, I hope to meet you again. Thank you for all the support during the placements. All the best for your future, and hope you make some really good friends .

I know you from the 1st year itself, but I think aachi bonding 3rd year me mess discussions se Hui hai. Jab bhi milta tha, Karn Bhai news batao , kya chal Raha world me, mujhe proper news ka source bana rakha tha! But yaar , you are a so kind person, talking to you and discussing things was something I am always going to remember. You have a very good heart and I am so great to have a friend like you. Best of luck for your future endeavours.

NEERAJ KUMAR

You were the first friend I made in college through online. We switched branches together, and our friendship lasted throughout college. During exams, you were a relief for me because whenever I asked, you weren't studying either lol , but somehow you managed to get better grades. Even though you annoyed me a lot in college, those moments have become very precious now. Always stay in touch.

SIMRAN BIRLA

Online chess ki to ek hi story rahi h hamesha tujhse haar jana :(()) but the story which you told me about a girl in your life during a lecture made me realise that you are such a simple, gentle, sweet, caring person. Always be this type of person yr and all the best for your future life. I wish ki hum phir kabhi mile and also hope ki teri story ka happy ending ho.

AKSHAI M

Each time i talked to you i always learned something new about you which amazed me . You being the secy of Aero was really good experience for me (from not knowing what to do to being really good and taking the club to national competition and winning , thanks for helping the club revive after covid). But sad that concentration on the drones were less. But bro your dedication is amazing and i admire it. Hope to see a fighter plane designed by you one day Best of luck bro ,don't get stuck in govt job you are meant for more

RAJAT SINGHAL

being a secy you did great things but as a person also you were splendid. Always taking challenges and sometime supporting our stupidity as well :) overall meeting you and having u as our mentor was a great experience. i still remember the days that we spent in aero club doing so many backchodiyan... once you make us watch that Michael Jackson song on projector... it was so stupid i still laugh at that...:);:) all being said i wholeheartedly wish for your better future and health.. indeed u were the one n only prabhu...

SIDDHARTH GUPTA

The first time I saw you was talking to Ajinkya bhaiya in siang for POR interviews and I remember I was the only one who would stand up to you for being a bad secy at the start and still hate that you almost made the club aeromodelling only. Super dedicated at things you want to do but would give lame excuses at thing you dont want to do. Good hearted banda and if you ever go through a heartbreak, you know I have the songs. Call me sometimes and start picking up calls too. Dont die, and if dying inform first.

I doubt ki bhai tu testimonials padh rha hai ki nahi. But honestly, iska toh I have regret ki kaafi kam time saath mei spend kar paye. 3rd floor ki pagal kar dene wali garmi mei tu hi toh tha bhai saath mei. Ghat par last day one of the core memories. Also, sorryyyyyyy, kaafi time mismanagement hogaya jab tu jaa rha tha, sachhi aane ka bahut mann tha bhai. Kabhi same city mei hue aage, toh pakka se milte :)

Thanks for everything making memorable and fun...

It's been some time with you huh. Well, I don't think this stupid yearbook with a 400-character limit will be enough to do justice with the testimonial for you. Although it is good enough for good wishes. So, Good luck for the future and I hope your surgery goes well and your ACL heals asap and you're back on the court shooting 3 pointers again. And trust me this time I'll shoot more than you.

DEEPAK PRASAD

We first talked during our intern interview and I got to know this sweet and simple, talented sports girl during internship in BLR. Those office talks and street walks in blr are amazing but tune yulu nahi chalaya kabhi. PPO ki bahut tension leti thi and finally mil gayi. Bhai swatantra mai kabhi bhi jaanbujhkar tujhe disturb karne nhi ata tha. A world class tt player jo sirf yt vdos dekh kar seekha. Genuinely kaafi accha insaan aur rare insaan jo sabki sochta h at least koshish to karta hi h...gadbad ho jaati h wo baat alag. Apne room ke ek kone pe pada rehne wala dost kab gym jaane laga, trips pe jaane laga, stories post karne laga pta hi nhi chala. Sabse kam input me sabse zyada output chahiye to best person h seekhne ke lie. Pta nhi kitno ko hi minor me pass karaya h (specially agar aap specific category se ho). Kaafi smart insaan. Milte to rahenge hi. Noida aana (agar aa paaye) to gurgaon bhi zyada door nhi h

VIKASH RAHUL

haa bhai sb fake bnte h yrr xd... 4 saal akele hm sb ki jaala deta tha.... Bare minimum me machna koi terese sikhe...tu ladki hota toh poore campus se apna kaam niklwa leta :.... Aur ye jo powder wli body bna rha, yash se itna pele jaane ka badla kb lega.... Baaki company me 51-49 ke niche koi baat nhi hogi.... aur bhai hm kyun terekko ko chadayenge wo tera turu lob thi.... baaki toh everything is grey.. does it really matter..

YASH VERMA

Hn bhai pizza lover. Ameeri itni ki by default har jagah gpay kholna. Hamare wo late-night talks aur jitni bhi memories humne banai sabki bitching krte hue aur saari trips hamesha yaad rhegi. (Tujhe motion sickness na hoti toh aur bhi trips ho jaati). Paper wale din mera gate knock krke sab padhke merse jyada no lana. Protein intake complete krte rehna roz ka. All the best upcoming billionaire.

PALAK CHATURVEDI

Bengali chuTIAap, ab lag raha hai basketball mei tere skills se hi bache(*insert all black magic jokes here*) Meri constant HSS partner, kabhi nahi socha tha koi esi ladki milogi jo meri tarah sona, modern family dekhna, plan cancel hone pe bhi fomo nahi legi. Ofcourse how can I forget apne poora intern season ki memories, tere paer tutne waale roller coaster moments, tera wall se special pyaar, tere placement interviews ke beech waale apne talks,mere placement ke din tera nervousness+excitement XD, tera har bhandape mei mujhe aake pyaari baate bolna(most special of all,ily!!), and tera sober rehke Kashish khushi ki class lena XD. Bohut jyada memories hai meri real life Naina ke saath, Mumbai to tujhe aana hi hai, wahi infinite "fun" memoriesÂ createÂ karenge.

KASHISH PATIL

tiaaa(i love that i gave u this name) i dont even know where to start, i have never cared for anyone the way i cared for u, legit felt the entire college life ki tia is my responsibility lol,jitna life ka fucked up hona tere sath relate kiya uff,sona kam kar thoda mujhe dede tera share of sleep, and the amount of misunderstandings fights .we've had is endless lol,alcher se pyaar kar le yaar ab toh:(,still happy ki at least last mein NEU ke liye tujhe emotions laa diye, ab tu mujhe as a punching bag nahi use kar paayegi, apne all nighters ill miss bohot saara,wish we had one in last sem too still regret that,always there for you,i love you so so much tia <3

VARUN BHARDWAJ

From the first day we met, I knew you were someone special. After getting to know you, I see a caring, bright, and very violent girl. You changed my perspective on many things (although we always choose opposites :)). Thank you for being there for me. Thoda chill bhi kara kr (I say so because you need to). Tq qt hamesha saath dene ke lie! Meri 1000 problems ka 1 soln: Trisha. Kahan support nhi kia h tumne. Meri chhoti si bhi success pe mere se zyada khush aur chhoti si bhi baat pe mere se zyada pareshan. Jitna karna chahiye humesha usase zyada karne ke lie thanks. Couldn't have imagined clg without you. College ke apne favourite spots pe jaana aur sab kuchh equally split karna. Mera forever constant <3

SIMRAN BIRLA

Oh my cutiee Trishaa..5th sem se saath h hum, roj class saath me jana aur 2nd-3rd bench par baithne ka routine raha h..tum class me padhai karti thi, notes banati thi...aur me to so jati thi :). Yr tum kaafi hardworking ho...Jab mera per toota tha mere liye roj paani lana and baaki sab ke liye thank you so much yr. Bangalore me to apn ko milna hi h..masti karenge..All the very best for the future :)

MANSI

Trisha, seriously couldn't have imagined my internship going without you. Tu kitni sweet aur understanding hai yaar, i mean itni jaldi mere itna close pehle koi nahi aaya yaar. Thank you for supporting me and listening to all of my sad stories. You are an angel bro. Someone is seriously lucky to have such a caring, loving and loyal gf as you. Love you <3 (I hope he is not jealous XD) Milte hai :)

DHRUV RAWAT

you're truly the friend i have but don't deserve <3 you've been one of the few constants from day 1 to last...i could list a thousand things that we did together be it from walking and talking raat ko, thoda cod, discord raat raat bhar, ccd, city and trips, bitching, and what not, but nothing does justice to jitni caring, hardworking, kind, practical, smart, humble, emotional, open-minded, helpful and sweet hai tu. one of the very few jiske saath i wish baatein kabhi khatam na ho, and ik you'll be there whenever i need help (and vice-versa though XD). you're probably the only ladki jiske saath itna openly baatein kar sakta hoon mein lmao. blr mein milte rahenge for sure and trips maarenge bahut saari (japan bhi toh jaana hai) ;) all the best for everything...thanks for always being there!

SWATEYA GUPTA

URJA jesa naam vesi hi energy..Very Different from other girls and a very caring personality....So grateful to god ki ye campus life khatam hone se pehle mil payi tumse....kuch dost bohot pehle miljate hein par lifetime nai rehte...but i dont know if i am wrong i have a intuition that this will never end...The person i can look upon for advices and deep talks anytime....Our late night backchodi se lekar saaath mein ekdusre ko tayyar krna for functions are really missing now...Esi dosti bohot kam logon ke saath hoti he jismiein na koi expectations hein na koi as such demand but a true freindship and care for each other...Thanks for coming in my life.....I hope you to touch success in your life with never ending goals and obviously you both(you know who) to make great bonds in future.....

GYANENDRA PRAKASH

The first 5 words that I remember while thinking about you are "ranchi", "ludoo" , "mithai", "sarala-birla" , "serpentine-drinks". You have been a friend since day 1 of your joining college (virtually). It has been an absolute pleasure to share life BT of each other and find solace in venting it all out. It still feels as if it was yesterday when you were in your first year, naive and happy, starting a new journey and now you are already a graduate starting your professional life! All those scribble sessions ,watch parties, convo breakfast are my happy memories. Thanks for listening when i was down. Hope to see you in a happy place. Your humility and patience are your jewels!

Best memories in campus ?

Pointing out a memory of the campus to be the best would be a sheer injustice to the other memories.
Various memories in various point of time hold a special value for me.

Biggest change since first year ?

There are an ample of changes. One noteworthy would be that with the passage of these 4 lovely years, I have evolved as a more expressible individual.

One thing you learned from here ?

To hold the nerves until the best is delivered. Pressure situations arrive in spells but is steered through the hard-work and perseverance.

One thing you'll miss the most ?

The campus, the people and the eternal freedom to live on my own terms.

One thing you'll regret not doing ?

Taking a lesson and moving ahead is always superior to doing regret.

PAWAR FALGUNI MAHENDRA

Aayush!!! I have known you since day 1 of college, through litsoc and classes (which I barely attended). But even though we had a low maintenance friendship, thank you for taking care of me when times were tough. Thank you for all the notes, last moment syllabus share karna. Remember how long it took us to shoot a 2 sec video for class song? I'd say we are far better with words. Keep writing, and reading. Every once in a while when you find a good book, hit me up so we can talk about it. The next time we are together, I am gonna win that musical chair. All the best, run with full speed towards your goals :))

MUHAMMAD BIN QUASIM

Truly inspiring personality, I knew u since we were online, I still remember your calls and discussing that how it will be done. Woah!! Look at yourself now, you nailed it. The gap which you filled for yourself is bigger, deeper and incredible than any one did. Coming from a pure regional medium background and rocking the fucking English medium. You banged bro. And yes thank for being so kind, doing all that jokes, and appreciating me for even small small things, these all means a lot to me. I still remember your answer to "Why You want to Join BPCL?" All the best True Blue) See you soon)

HIMANSHU SHEKHAR

Sbne bhar bhar ke tareef kiya hai hardworking, talented, topper etc etc. Sbne sahi likha hai pr ab mai bhi wahi repeat kru to kya fayada. Isiliye mai mitra dharm nibhate huye tujhe kuchh suggestions de rha: Salons me waqt thoda jyada bitaya kr(context given by neta ji), apne usernames ka numeric part change kr le kyuki Marvel wale logic se jyada Russia famous hai aaj kl, kisi ki age jb bhi estimate kre to 2-3 saal km kr lena apne calculation se, Lucknow and Gonda me 100 kilometers ka distance hai. Baaki 2021 se 2024 tk college life behtareen guzra saath me bs trip baaki reh gya. Aage padhai continue krta to mera bhi fayada hota pr koi na ab dhandhe pr dhyaan do. Good luck bro for thr future. P.S.- Apni chamatkari shaktiyo ka sahi use krte rehna.

I remember roaming around the campus with you in freshman year, when we had practically given up on sleep for a moment more of memories of campus. I stupidly fought with you back then, don't even remember what it was, but I was so glad you proved me wrong and became this beautiful person inside out. Thanks for hard carrying me on Dzuko trip (boy I felt I was dying out there). The moments we spent together, however minuscule, from corridors to accidentally bumping in washroom, always brightened my day When someday we sit together and talk about our best days, let's remember how there was glitter on the floor after the party!

SAKSHAM BHARTI

It all starts with first year meri college ki phli mahila mitra xD, online mai apni long phone calls, tere marks km aane pr rr krna :), first year k night outs sb kuch yaad rhega. or college aane k baad to apn 1 saal k gap mai baat krte the (alcher to alcher :)) finally jo kuch bhi tha wo sort ho gaya (thanks to you :)) or apna ghaat abhi bhi pending hai. baaki bina chashme k jyada acchi lgti hai or thoda exercise kiya kr moti ho rhi hai. Wishing you a future filled with boundless happiness and unparalleled success. I hope our paths cross again in the future. And when they do, you'll take out some time and ask me, 'Bhaiya, khelenge kya?'

Fate, and MH education system brought our roll numbers next to each other. But if I were to do it all again, I wouldn't have it any other way. Thanks for being an amazing lab partner, for standing by me in my sick days, from helping me with notes to data, from exam prep to life advices. I will always remember how you lived for the hope of it all, and actually achieved your targets. I will always be here to cheer you on (you might not know it, but it's gonna happen) -The roll number after you

Hey Falguni you were the most diligent and meticulous person I met in campus. Always proactive, reliable and persistent and one of my sweetest friend out there who stuck with me through thick and thin in whole of compus life. You are someone who is as elegant as a butterfly and yet busy as a bee. Thanks for helping me out in labs, days before exams, teaching me figma. Always took inspiration from because of plethora of things you were while acing it all. We got ton of memories together starting fist year and I will cherish them all. I always felt you were too organized even after going through different phases in life but you were always tenacious to fight against it. Always stay the same. Thanks for letting me rant! I just hope you soon break out of the cocoon and fly with flying colours.

KRUNAL PRAJAPATI

In our first year, I never imagined our paths would cross again after Nexus, but now I can't imagine surviving college without u. Texting u at 3 AM as a joke to bring water was the best joke of my life. If Dr. Strange erased my memories of you, my entire BTech experience would be missing, including all clubs, fests and trips. We stood by each other in all of our times, and I will happily choose cyclones with you. You went from HP stan to Suga worshipper, so full of zeal and passion. You're like a hermit crab, sometimes retreating to recover, but always coming back stronger. Before meeting you, I thought I was empathetic, but you showed me there's always room to grow, to be more patient, kind, and understanding. I'm a better person thanks to you, and I hope you're proud of that.

Best memories in campus ?

Stargazing. I'll always remember how mesmerized I was, when we looked up with dreamy eyes and were showered with a newfound home.

Biggest change since first year ?

Breaking apart from outdated beliefs I suppose. I am still on the journey of knowing myself and enlightenment, but thanks to my circle, I know myself and the world a little better

One thing you learned from here ?

On every trip I took, after every fest, I looked up on the sky and felt humungous. But after looking at the stars from Dawki, Pondicherry, Dzuko, Tawang, Pondi, Madras or Kolkata - I learnt it wasn't the location that made the sky special. It was the people holding your hand in that moment

One thing you'll miss the most ?

The sound of carefree laughter, as I spent the best moments of my life with the kidults of CC x Pondi group

One thing you'll regret not doing ?

Not recording so many magical moments of my life on camera. I wish I hadn't worried about the quality and just taken a photo nonetheless (I was saved by Atharva and Krunal who took photos for us everywhere)

Toh bholu se saavdhaan.

My btp bro!! First year mai I have so many memories of us hanging out in the evenings, playing games in the group, and just roaming the campus. Kya hi din the yr vo, had an absolute blast hanging out with you then! Beechmai we lost touch as we got busy fighting the curveballs life threw at us, but we happened to have the same prof. We were quite lucky there On the last day of our college when we were presenting, I said to myself to - remember this moment, in the back of my mind, the time we stood with our shaking hands. Thank you for helping in my hard times, and accomodating me as I fought anxiety. All the very best for your future !! I hope they get to know the mischievous yet kind Meena:))

Ravi, I am not gonna lie, I wouldn't have crossed enginnering if not for you. Thank you for always being kind on my v procrastinating self. Sorry I sometimes woke you up in the middle of the night for notes. But also thank you for remembering me as someone in the class. I hope someday you achieve all the dreams you dream, coz on all of the days I left out a sigh of relief thanks to you, I said a small prayer to it. This is an end of an era, but also start of a new age. Who knows, I might pester you again for lab data.

Aaye hai mere indori Ishq.. ab to 5-5° pe photo khichana band krde. Kisi din ice cream khilane ki aadat pitai khilwayegi tereko. Speaker sambhal ke rakhna, abto wo bhi nostalgic lagega. Bahot princess treatment chaiye hoti hai na bsdk tereko. Bamboo trek pe chal hi lena chaiye tha tereko, chuchi bhi chala gya tha, ab bataao gaddar kon hua. Aadmi tu bahot badiya h, ek number bas lund h thoda, baki to ram ne likh hi Diya h. Dew-chakna le aa, bottle, glass rakhi h room pe (à²¥â ª€‡â à²¥)

Bhai BTP partner tha, sir ka dialogue hamesha yaad rhega " es baar kuch karke dikhao, ab goli(bahana) nhi chalegi", BTP me I grade se 10 pe jaane ki technique ense seekhe, humble and dedicated guy, never forget a lots of funny talks, ab jaldi se MPPSC wali se contact kar, ab aage se presentation time pe dena bhai apan to MP ke hai Ghar jaake hi milte rhege All the best for your future bhai....

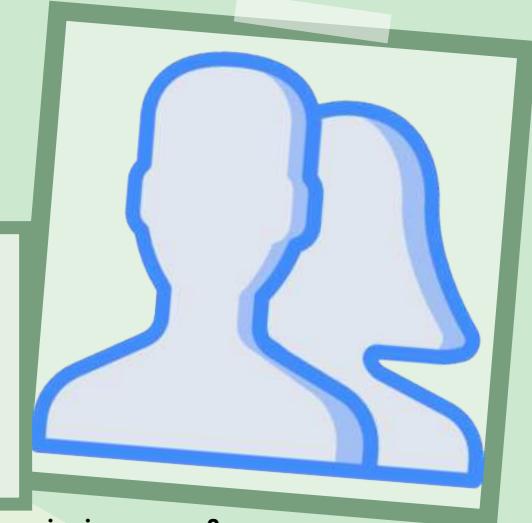

RAM SUTHAR

Aadmi to tu ch*tiya hi h, bc yeh ni pta sab jagah muh kholna jaroori ni hota h. Na joke samjhta, or apna muh khol kr pura joke hi khatam kr deta h... Orr haa har jagah pose mat kiya kar.... Vo bhi bekaar bekaar Wale Ab thoda acha bhi likh deta hu jaisa tune bola.. Insaan Dil ka to acha hi h, shakal bhi thik h..bas iss se jayada achai yaad ni aa rhi.

Roshan, you were one of the most striving person I met on this campus, fighting for everything and making it happen for you. You have always amazed me with your tenacity and perseverance for the largest of goals and with your observation of the smallest of things I'd always felt like a mirrorball in our dept, but for ephemeral moments of times when we attended classes together, I felt seen. Thank you for caring for me when I was sick, and always sticking by me through the 4 years. Thank you for looking out for me in class and letting me drop of my worries before exams. I'd always remember how we stood on sidelines with shaking hands, nervous to take on what is ahead of us, but for a moment there we had solace of company <3

I am writing this because, I think agar nhii likha toh fomo se teri maut ho saktii hai and ab toh pass out hii ho gaye hum sab, tu marega toh dasii bhi nhi milegii. The jugaad person, who had it all. All the illegal shit one can imagine with a college student. Be it sites to download books, subscription wale research papers or be it surpassing the IITG_CONNECT security. Aur details mai nhii jaate hai warna pata chala passout hone se pehle SDC lag gayii bhai ki, haha. And of course, the dark side of him which no one knows off except me and arnav, the RR mode. And with that he killed it in academics subjects he liked. Partners in crime in BTP. Jab tera laptop presentation ke time shaheed hua, but despite of that you gave a very good presentation (I was impressed). Anime ka fan and Hazra ji ka favorite student. Subu baby...tere bane huye pegs, teri hindi, teri bakchodi sab bahut yaad aayegi. Tera jaisa dost mila mujhe college me, I feel blessed. I was so sad jab tera location blr nhi aaya. But tere saath jo time spend kiye hain tere blr pg me sutta phukna , pizza khana ho yaa ghat sessions ho, they are my favourite memories. The way you supported pura placement. Bestie will meet soon. And all the best.

SAMYAK JAIN

Guruji Ki jai HO! Sab guruji ki maya hai. Legit 4 saal se sirf tere peg pi raha hu. A friendship that started from banglore would continue in gurgaon. Aap se bada dil kabhi kisi ka nahi ho sakta. Koi bhi dikkat ho guruji suljha denge. The real Gensec of Lohit. aap se jyada khushmijaaz admi kahi nahi milega jo kabhi kisi ka bura na soche. Love you guruji - Aapka param chantar pantar

Bhosdi bhai..... aur kya hi likhu? Likhne jaunga to words kam par jayenge. Suru me jab terese baat krta tha har sentence me gaali rhta tha. Badmiton khelne jaya krta tha tabhi. Class me mere piche baithkar bohot bakchodi krta tha tabse terese dosti hui. Terekh chalk se maarne me bohot maza aata tha. Bsdk Cricket khelte time taunt kam mara kr logo ko. Apne group ka sabse harami character h tu pr dil ka bohot accha h, kafi help kiya.

Saath me jo online se le ke offline lab reports bnaye aur offline me jo bakchodi ki hai woh sab bhot yaad aayenge hi. Bpcl me saath to rhenge but baaki sabko bhot miss krenge hum dono. Waise hum dono ki jodi jamti to achi hai. chahe pdhai me ho ya bakchodi me.

Hi hi xD (small x = small eyes) When our academic session started, I went through the whole student list to see if I could find any familiar names. There was yours besides Lishi's, to my surprise in the same branch too, I remembered them from our weekly S3O tests result lists. You seem like a quiet one but once you start you go on and on haha.... Our promise "next sem phodenge", we were never able to keep it haha... yar likhna to aur bohot kuch chahta hu lekin aise sochna pe direct ata nahi, aur humare ye deadline ke aage kaam krne ki adat :(aur uske upar se mujhe jyada likhna ata nahi. Chalo milte hai, mai vaise bhi Arunachal Food tour pe to aunga hi.... Abhi ke liye Good luck for the future...

Thanks for chatting with me when we met randomly in corridor - from studies to k-pop and everything in between. Hope you shine brighter as you go out and embrace the world. All the very best :))

Oh, Mr Dhingra Ji. sadle tere weirdest slangs..kakos and what not. bhand avi ,non bhand avi,,dono itne bakchod kaise ho sakte. kya best tha bhai tujhse gossip sunna about you or others. Gandu tere saath sab share kar skati the yaar. abe teri best passenger princess me rahungi. and me to tujhe phukaungi hi humesha sutte .tera hook step and tera bhangraaa. beer to whiskey kaise hi resolution todta hai. and you cannot stop telling me about saari teri new bandio ki kahaniya and scenes. Also gandu footsteps sudhar lee.

DHANWAI SAURABH GANESH

Ladkiyo se zyada toh bhai tere nakhere hote hai. Maal tu phukta nahi, hard tujhe peeni nahi aur phir hamesha tu grumpy rahega. Hardworking toh kaafi hai but 80-20 toh easily pil jaata hai, koi na banglore aayega tab extra gym krke aana. Best music taste toh tera he hai grp main. Exam k 2 ghante pehle mujhe padhane se assignment tak you've helped a lot. Chal baaki banglore main peete hai bs vaha mat let jaana 1 beer main.

VANSHAJ BHARGAVA

Constant since 1st year, roz bc slide in maarta tha dms mein among us khelne ke liye. Bhai kya hi ladaian hoti hain bhai apni, apan se zyada baaki log affect ho jaate hain. Terekam uthaya, lekin uthaya to hai, lund mera height phobia bc. Groove Street OG hai but zyada OG hoti agar Saurabh tere room mein mutthi na maarta. Bahot memories hain, list down nahi kar sakta. Heads tenure me mila pehli baar and saw you working day and night for Techniche perfectly following siddharth bhaiya in each and every aspect. A lot more achievements coming your way best of luck.

ADVAITH KRISHNA A

Himanshu, you are legitimately Red Bull / Energizer bunny in human form. Really enjoyed working with you during Techniche. Tbh, tera READY TO GO attitude was both impressive and exhausting to witness - though there was never a dull moment with you around. Never met someone with boundless energy levels quite like yours. Now that we're joining the same company, I can already envision the shenanigans you'll be bringing to our workplace!

Engaging in good, healthy discussions, enjoying night walks, playing taash, and many other activities are some of the things I've shared with my friends over these past 3.5 years.

Biggest change since first year ?

Entering the domain of finance and business was the most significant change I experienced in my college life, and I often wondered about its impact. One book that had a profound effect on me, especially from the 7th semester, was *Atomic Habits*.

One thing you learned from here ?

The ability to say 'NO' to things and people.
It is not the only thing I have learned from here, but yes, it is one of the most important things that was missing.

One thing you'll miss the most ?

Long night walks and the discussions we had both in the clubs and outside the club during night walks.

One thing you'll regret not doing ?

For not being good in academics and unable to make 4-5 lakhs more!

PAWAR FALGUNI MAHENDRA

Karn!! I hope I had met you lot sooner. Sabse bas teri tareef hi tareef suni hai. You are such a kind and warm personal who isn't afraid to wear his heart on his sleeves, who boldly and bravely puts himself and his opinion out in the world. Keep writing, don't let the avid reader in you ever be hungry. And when you stumble across a good find, throw it to my side. Keep radiating (just like your name, really loved your name since freshman year) and light up all the paths you walk on - for you and those following your lead. All the very best:)))

ANURAG YADAV

Karn, my goodest friend, is a clear guy and a family man with his priorities set right. He defends Karn(Mahabharat one) but is more like Abhimanyu-remember discussions, Parasai one and others. A lot can be said in praise of Karn, but I shall say only this: most people in this world are X. Karn is not X. (Karn knows X) You are one of few people with whom i could talk REAL things. I shall miss fast-paced walk-talks. I wish the best for you.

PIYUSH KUMAR

The discussions I had with you were some of the best discussions I had in lit soc and you are the only reason ki main 4th year tak bhi lit soc me tha. tere recitations bahut miss krunga. you are the reason ki Maine rashmirathi padhi. always loved your straightforwardness and how you stick to your true self regardless of what the world says or thinks about you. aur tu X ho na ho mahabharat wala karn to X tha

SAJAL MAHESHWARI

Mahesh Tripathi is complete anarchy. He has the sort of crudity to his words that I have never found - they are often not digestible for people. He looks upon poverty, hatred, unfairness and malice for what they are- neither neglecting them nor pitying the parties involved. He will put openly on my palm of your hand, the hardest pill to swallow about any situation, and wash it down with a series of jokes. You wouldn't know whether to laugh or cry. Instead of coddling you with comfort, he will teach you how to harmonise with discomfort. He will teach you to look deeper, beyond, around and through. The more I talk to Mahesh, the less I can stand being around anyone else.

LAKSHIT BOHRA

Chakkeee!!Ty for keeping up with my constant bickering (ykwim), and for literally forcing me watch Rockstar & Tamasha. You've unknowingly been very influential in my understanding of the world & people, & cultivating a sense of creativity in me.Creative banne ke chakkar mei chutiya mat ban jaana. Aur bsdk sex ke alawa kuch physical activity start karle. See you soon co-design head of Genesis ;-P

ANOUSHKA MENON

Most ambitious people are all talk, no show. But not Mahesh Tripathi. You're honestly the first person I've met who can talk for hours on end. I remember meeting you for dotlink at 10 pm and then leaving at 2 in the morning after talking about literally everything. I'm waiting to see Mahesh Tripathi in the news soon (hopefully for something good lol) Wishing you all the best!

TANVI SHAHANI

My younger brother. Truly, no lies. It has been so lovely interacting with you from our first and last Inters. Playing temple run with y'all, going to Kanpur and alllll the random encounters in Campus. Cant emphasize how delightful all our conversations have been, may it be randomest of gossips or genuine career conversations. Much neeeeeed now, meet me soon. Keep growing, stay this most beautiful of a soul you are.

VEDAPRAKASH SUNDER RAJAN

I'm rly gng to miss that we won't be neighbors anymore â€“ no more bothering you with last-min plans. From ghats, gossips, shwarma, and overanalyzing the sex toy industry to a chai tapri, you've made my college years amzng â€“ always had a person to rely on, make imp calls, or just rant. I'll miss you the most, but until we meet again, endless memories will keep me gng. Come to BLR quick, quick!

GOUTHAM JYOTHILAL

The practical, ambitious, knowledgeable guy with a fun-loving-cringe side that made things more lively. TLDR: The one friend I needed for all things meaningful & meaningless. I wonâ€™t be surprised when you scale great heights and make us proud. Iâ€™ll miss you a lot, beyond words. But we donâ€™t need an excuse to stay in touch for life. A pillar that wonâ€™t let me fall!

You're awessss, Gul. Thank you for the memories

Bhai tere bina toh chemical na ho pata. Jaise Shreerup bola I'm so glad us din tujhse mila. Itni baate ki hai aur memories hai saathme ki kbhi bhulna possible nhi. Trips, same CL courses, BTP, case-no-vice hangouts aur bohot kuch. 5th sem me 'dropout kya hota?' se 8th sem me khudka vision model bnane tak tera ML progress dekhna kaafi inspirational tha. Jaldi Mumbai aaja aur milte rhna. Eagerly waiting to see you try catching a local train in Thane. Baki hmari friendship toh 10/10 hai hi (unless you start liking dahipuri over panipuri)

KRUNAL PRAJAPATI

Kafi maze kiye aapan ne trips par. Tere sath ghumte hue mai mast passenger princess banke ghum sakta, because bargaining ka toh alag level skill hai tere paas. Kafi sari aur trips marni thi, kaam and acads me hi sara time chala gaya. Mumbai me milte hai kahi jate hai ghumne, Korea vagera side. ML god toh tu hai hi, BTP me dekh liya. Baki toh life me machata rahega ik that

ARCHIT AVADHANE

You were my therapy. Helping you felt like I was helping myself getting out of the health issue barrier I made around me. I came to college for IIT life to move on but that not right, I just needed to help someone and I'm so glad that I could do. You have to keep helping other, okay?? ig words limit kam pad sakti hai itna kuch hai kehne ko. you were the coolest, jolliest and most humble senior i have ever interacted with. Second year me E-Cell Content team se aapke saath kaam krna start kiya and apke vajah se mera imposter syndrome door hua and pehli baar ek acchi team ka part hona kesa hota hai samajh aya, you were not just the senior but an elder sister to me , Sadly udgam me GnC me aapke saath kaam to ni kar paya but i wish uss year ke creative posters and dher saari masti me bhi ho pata. All the very best for your future and Keep smiling dii

Raat ko maangne aa jaya karta tha jab bhi bhook lag jaati thi tereko aadhi
raat mein. Saala purein hostel mein mere hi room aata tha apni bhook
mitaane.

Aur tera waala patla hain, usko change kar lena. Dukaandaar ke paas mota
waala hogा, woh khareedke apne mein daal liyo. Mujhe laga tera upar kaa
kharab hain par saala pata chaala neechein dheela hain tera. Woh dheela
rahega toh bajaane mein dikkat hogi. Bajaana seekh ja aur kuch bajaane
mein dikkat aaye toh mujhe call kar dena.

Regards, Sikkim kaa Cuddle-Partner

BHOOMIKA DHAKA

Surprisingly, har chizz ka solution hota hai tere pass. Hamesha exam hall se
nikalne ka baad tujhse hi poochti thi paper kaisa hua, koi toh company dene
vala hota tha... kahi bhi jaate hai google maps ko satellite view mein khol leta
hai... sahi pata hone ke baad bhi chize msst khudki accent mein bolta hai...
2nd year mein padhna, trip, ghat, sabbki yaad aayegi...sirf khudke weight
ko lekar hi sad hona. All the best for arm wrestling.

ROHAN SHARMA

Kisine DOPA sahi hi kaha hai. Yaha sab ladkiya teri tareef kar rhi thi aur sala
tu hostel mein Meloni ka deep fake search kar rh tha. Bhai kuch toh hai tere
mein, 4 saal se sala body nhi bani but sutte ki aadat ban gayi. Sala har
cheez ka gyaan rakhta hai tereko maine trip par bhi bula tha. Sala gyaani
bc. Ab job mein paani paani kar dega. P.S Bhai apna 1*nd bacha kar
rakhna hostel day par mere se haha

ROSHAN KUMAR

Hemant, if I had to describe you, you are the epitome of maturity and yet, at the same time, the most excited kid in the group. I never knew you were a party animal, but that trip to Chandubi and Tera "waha chai achi milti hai" literally turned it to the typical boys needing chai chahe we are on the border kyu na. Taking up the most complex work known to humanity and then explaining it like shit ye toh baccha bhi karle! Tu jaha bhi jayega machayega and bandi dhundhe kya there liye before tujhe andha dahej mil jaye lmao! All the best and milte rehna

GAURAV MAHATO

The guy I respect the most in chemical. I'm glad that we worked together for the presentation of composite materials that I got to talk to you. Your passion for robotics is immense I must say and I'm sure that'll take you places. Saale social event se itna bhi door mat bhaaga kar teko literally call krke bulaana pada farewell me pic ke lie lol.

Krunal, You were a person I wanted to be friends with when I grew up. I imagined a person who would vibe with me so well that we laugh for stupid and over absolutely nothing. I feel so content that my dream came true, in the most beautiful way. Thanks for standing by me as I learnt that I too have wings, and showing me tutorials on how to fly, and how to stay grounded. We came a long way in this 4 years, and each and every moment of that was so full of life (the darkest moments too). I'd need far bigger space to just mention the titles of the clubs we joined, the trips we took, the songs we listened to the stars we counted. All of this will someday a blurry memory, but in all of those moments, I felt we were infinite. Thank you, for all the little infinities <3

AMRESH PRASAD SINHA

Yo dost! Mast dost hai tu. Tere room jab bhi aata tha, Enerzel ka packet hamesha rahta tha. Ik very random. Hum pehle CC se mile the ig. Design ke baare mein mujhe dar lagta tha, lekin tune mujhe Figma aur design ke basics sikhaaye. Main abhi bhi noob hu isme, lekin extreme noob nahi. Omkar mein tera naam "Figma Crash Course" se hi save hai abhi tak. Likhne ko bahut kuch hai, but summing up - tu mera sabse chill, smart aur problem solver dost hai. Main tujhe bahut admire karta hu. Agar future mein kuch bhi bana raha ho ya koi side project kar raha ho, toh mereko bulana. Aur agar main kuch bana rahu, toh main bhi tujhe bulaunga. Hamara saath me kabhi trip nahi hua, iss baat ka bahut regret hai. Lekin Bangalore aayenge, parties aur trips karenge 100%.

Human sutta fr <3 I don't think I could have survived chemical without you. Definitely the most sweetest, caring and lovable of them all. Your company feels very homely and you are definitely my comfort person. You are the girl who made me realize how wholesome female friendships can be. The transformation that you have had from a seedhi saadhi ladki to what you are now makes me really happy. Thanks for always being there whenever I was crying and hamesha ghat pr sambhalne ke liye. Will miss the room sessions so fucking much and listening to you speak in Bambi's voice also xD. Also its most fun to watch you when you are bhand or high .Touch mei toh rehne hi vale hain apan humesa kyunki itni achi dost khona toh afford nhi kr skti mei kabhi.

riya! GAndu Nexus me kitni rude lagti thi. From guesthouse me sona to sleeping in one bed after sessions. Kitni hi jyada important ban gyi yaar tu, har jagh riya chaiye thi. bhai tujhse badi kamini ni dekhi mene. tujhse milke pata chala ki koi itna straight forward joke sbhi maar skata and the next sec sorry. meri puri start se fucked life dekhi hai tune. and end tk tum teeno ne. saare saath me bhandape. jab bhi call karu toh "abhi leti hu me". And ghat ke baad sandy kapdo me let ti thi tu mere bed pe mc. kitne jhagde hai hum. kitne jyada. "poorvi dekh meri taraf" but college would have been impossible without you. Aur chutney khana kam kar mar jayegi ek din fir bhi dekhungi ni teri taraf. cant write bhain wali cheeze. warna bkl meethapa bolegi.

How do I say, my most priceless memory in this college is with you. Saath me jhagadne se leke, placements ki bt saath me li, badminton ke lie meri zidd, biriyani ki tumhari zidd, post dinner walks, late night gossips and list goes on. I remember while seeing me off the last look you had on your face while holding my hands, time froze for me at the very instant. I really love you a lot, miss me too

RIKITA JATAV

The girl right here naa. kya bolu dikhti toh bahut seedhi hai but agr ek baar iske saath baith gaye tab pata chalega ye kitni tharki hai. sab mn sabse iyada erotic ladki hai. But still the most close. Room pe baith ke mere mazze lena se leke iski cute chubby cheeks ko appreciate karne se leke iski hasi ka mazzak banate the. Collage life mn bahut important role hai tumhara. miss u shripi. Love uh

VIVEK KUMAR

Mostly online interaction hua but always enjoyed taking to you. A good and kind person by heart. Still remember asking “œlt ni dukhi kyu lag rahi?” more than half the times we met XD. Late night talks, games, sticker fights, exam se pehle rona-dhona, placements ki taiyari. Jab tumhara placement ka pata chala, sacchi, I was finally relieved. Wish you a happy & successful life ahead. Stay in touch!

Best memories in campus ?

Getting drunk and singing songs at ghat. Also, the moment I got my placement offer and settled down in a chair in a random room in Kameng, and realized that the countless hours spent in preparation were not in vain.

Biggest change since first year ?

Started out as an introvert scared to connect with people or ask for help, and constantly afraid of being judged. Ended up as an introvert with multiple friends for life. Learnt to give zero fucks about what people think. Making mistakes and failing are normal and fun too.

One thing you learned from here ?

Having fun and doing stupid shit is essential in the long run to achieving my goals and being successful. Being made fun of and making mistakes is completely okay, nobody is perfect or needs to be.

One thing you'll miss the most ?

The campus. Randomly going on walks, or to khokha. Meeting someone in hostel corridor and spending the next 3 hours doing randi rona. The freedom to go anywhere in the campus, be it 5pm or 5am.

One thing you'll regret not doing ?

Should have started going to the gym way earlier.

Atharva, you were the guy who sneakily grew up on me, and now you are my favourite person. I never thought I'd become so comfortable with someone in such a short time, feels like yesterday when I met you in CC, and I met my permanent Mafia suspect. We went through so much together and I cannot even begin to put it in my words. Thanks for helping us capture all the precious moments through college. Everytime I am down, I'll remember the moments of solace, when we carefree ran into the waves at pondicherry, and how even then you made a video of it to freeze in time. It has been a rollercoaster kinda rush assessing equations with you, paradigm or otherwise, but thank God you are smarty pants. And ykw, everytime I pour out extra sunscreen, I'd miss not having you around to share with.

GUNJAN DHANUKA

I will always be thankful to CC for helping me get to know you! Pehle to sirf club ki hi baatein hoti thi (where you were superb managing whatever project you undertook) but then trips and Krunal ke kaaran tere saath masti krne me bhi maza aane laga. You are so calm and level-headed, kabhi terekko chillate hue dekhna sapna hai lol. Dawki trip toh forever memory rahegi, par uske alawa tere DSLR se photos lena, Edna pe kaam karna, Pondi ki trip, Chandubi sab kuch bahot hi fun tha. I hope apan wapis kaam kare saath me kabhi (startup is onn xd). Take care of yourself and your lambe lambe nakhun. I am sure tu kabhi Mafia nahi bann skta Mafia game me, you're tooo sweet for that! All the very best bhai <3

AMRESH PRASAD SINHA

I still remember the first time we met, Techops(techniche). I never would have thought that I would meet someone so calm minded. Then we went to the same club (CC). You are a great dev! We did so many amazing work together and had a lot of fun. Khuskismat hun tera dost hoke. Calm minded, honest, simple and sincere friend. :) Don't forget me. Milte hai ijdi & kuch crazy banate hai future me milke :)

The one person to stay from the start. This itself sums up our bond. BSBE se CL se leke end, sath hi rahe hain. You have this talent for making people around you happier; the positive energy you bring is unmatched. To sum up the 4 years with you, it was blissful. You're an affable companion. I could not have asked for a better friend at the start of college. Never change, Bansi. Youâ€™ll be loved everywhere you go.

One of the most important person I see in every discussion. Prepare bahut accha karta speech ya interview ke liye. Jald hi Marathi Shaadi me bulana. Best of luck for your future.

Lagta hi nahi hai yarr ki apan 3rd year mein aake mile, it seems a long time. Aur pata hai tera bilkul mummy behaviour hai very caring, sweet, mazakiya and helpful. Meri saari rant sunn leti hai (Apni bhi bohot sunati hai...lol), especially placement tests ke time wali ke liye shukriya dil se. Breakfast ke baad daily disang lobby mein itna timepass karte the, saath class jaana aur daily ki nayi mastii sab miss hone wala hai. "Jo courses tu le raha wahi le lungi mai" and many more such lines(u know what), tera itna trust dekh ke mujhe darr lagta tha ki kahi mere chakkar mein apne na lagwa le tu. But shayad isliye hi tujhse kuch bhi share kar sakta hu freely. A very fine artist and designer aage ke liye All the best and hamesha touch mein rahna(aage bhi teri rr sun lunga, always a call away)

Mr Rikku Ponting, Ye saala jab bhi cricket khelta tha brahma me, ball baar baar mere floor me aa jaata tha. My fav memories with you was in 2nd year jab apan saath me cheeze debug krte and problem solve karte, aise kam hi instances rahe hai but all of them were worth remembering. Tere saath I had the most fun while developing. Ek kind of sync feel hota tha tere saath saare debugging rounds me, mai jo bolu wo teko chamak jaata tha, tu jo bole wo meko chamak jaata tha aur saare bug fixes ko kya celebrate krte the apan. Man those were some good old days that I wanna relive. Sports, Cult and Tech kisi ko nahi choda aur tino me shiddat se machaaya. Best of luck for your future I know tu kaafi machaega.

Canâ€™t forget your tantrums after you got drunk. Jab Toni uncle ne sleepless nights diye the tab yehi mere sath khada tha. Bahar se toh yeh sigma hai par andar se good boy. DHAIRYA AGGARWAL

Mujhe ek banda hamesha aake bolta tha kuch gossip hai toh hame bhi do bhai. Saale ko sab jaana hota tha. Kaha se laate ho itni chull. Issi chull ke wajah se shayad tujhe itne ajeeb duniya jahan ke facts pata hote the. SAIL ke liye teri dedication next level thi bhai...Respect++. Tune mere se bhi jyada hi ghisi hogi start se. Apne Meghalaya trips mast rahe hai...ek banda hamesha waha photos lete paya jaata tha xd. Everyone would agree ki patte khelne ka maza bhushanwar ke bina thoda adhura hai...hame hamesha confidence rahta tha ki hamse jyada ek banda toh pakka hagega...lol. Deadlines yaad dilana ho ya assignments, notes jugaadna sab jagah aage rahta tha...thank you bhai. TATA ka bada shareholder banna hai ab tujhe, All the best bhai. Stay in touch.

first time jab mila tha tab mane legit socha tha kya chutiya aadmi hai, sab kuch bol deta hai ese hi, iss se toh baat nhi karunga aage se, and boy was i wrong. chalo at least change toh aaya hai, for the better, ab thoda kam bolta hai. tere unnecessarily lambe context (unlike yk that thing), har time room pe aana, yapping, bitching, gossiping, ranting etc. etc. will be forgotten dw. intern season mein saath mein sacrifice hue the hum, cut to placement season and itna selflessly help kari tune (even when terekho fever tha), truly genuine banda mila at least. logo ke acche ke liye bahut sochta hai, even strangers. log galat samajh lete hai terekho when you say some things but when you're genuine and kind dil se toh voh sab justified hai. baaki toh blr mein rahenge hi saath (hopefully XD).

VIKRAM SINGLA

Aryan, the oldest and one of the closest, truest friends this college has given me. Abhi bhi yaad hai pehli baar clg aate samay flight miss ho gyi thi and fir same flight mein gye clg, getting same hostel, same peer group and so much more. Gossip krna pasand hai tu but dil ka bahut hi saaf insaan hai. hmesha apno ka achha sochta hai, such genuine intent. Always always there for his closest friends (dunno teri timing hmesha itni achchi kaise thi xd). rr to bahut sunaye hain tujhe, sb sehne ke liye thanks :) Last sem pure time saath mein canteen, disang lib, tv room mein... leisure at its peak. Aage bhi itna cheerful and bakchod rehna (bakchod maybe thoda kam), and all the best for the future! P.S. Delhi aate rehna milne, and pkka kisi SM concert zrur chlenge!

GUNJAN DHANUKA

Helloo seccy sir! Mujhe wo hamesha yaad rahega jo IITM ke ek gande se room me tune jeevan ke saare raaz (hopefully) mujhe aur somani ko bataye the xD Bahot fun aadmi hai tu and hamesha teri baatein sunnke hasi aati thi (kabhi achcha humor toh kabhi outright stupid lol) but still yaar tune quiz club ko ek mast revival diya, and thanks for being so supportive and encouraging in the whole tenure. Lumiere walo se ladd liya tha tu train me seat ke liye hehe. Dil ka bahot pyara insaan hai tu and teri random gossip miss karunga. All the best bhai and take care <3

URJA GUPTA

Hi Dhruvee, you are the one who has been there right from beginning. Sabse pehle to, hats off to how you manage everything, I need to learn that from you, also the no fucks given attitude. Doosra, you have a place in my heart and now you can never get rid of me. Hazaro memories hai humari, discord pe games, ek doosre ko cooking ki photos bhejan, Koris, Delhi me long drive, tumhara lavish birthday party, summer vacation me campus jaldi ana roz subah hone tak TP karna, Sikkim, Dwaki, placements me tumne bahut help kiya. I love it when we three hangout, many of my best memories were made with you. I can't tell you how special you are to me Dhruv. Mera BLR choose karne ka ek reason tum ho, jaldi milte hai, to continue making memories. I love you <3

RAJ JOYA

Discord pr among us me smart play se chalu hua tha silsila, bhavya ke phone se tera DB wala kand, tera room ke window se susu karna, saap bankar branch change karna, palates me we ate most of the truffle, lohit chala gya sala at last, still you are the most talented guy. Ek baat kabhi samjh nhi aati thi ki ye banda sari chize itne acche se kaise manage kar leta tha, I still remember all those memories jaha tere cold replies pissed us but you stayed always with us and gave us the confidence, aur haa campus me shayd teri hi bday party sabse mehengi hui hai, all of the black money lol... aisi hazaar chize hai that we've done together and enjoyed a lot with you bhai, terko toh nhi hi bhul skta, baaki yaha limit hai toh itna hiÂ rehneÂ deteÂ hai

VIKRAM SINGLA

Rawat o rawat, iss bande ke kya hi kehne. Isse zyada tez, socially aware, smart, outgoing (but at the same time shant) banda nahi dekha. And harami bhi (full potential not realised). Soo happy ki tu just opposite wale room mein rehta tha, my go to place till the 6th sem (ab wo room mera hai :) itna zyada caring towards his friends ki log kabhi kabhi mummy bol dete, but schme I feel bahut lucky ki tere jaisa dost mila hai. Mere phone se tune jitne logo ko msg kiye hain maine khud nahi kiye honge xd. Lohit nights, city trips, bahut kuch hai jo kabhi nahi bhul paunga. Future mein bada aadmi bnega (evil company CEO :), bhalna mat. And delhi aate rehna milne! All the best bhaiii! Lets never be strangers :))

ADITYA RAJ

It's rare to find a person whose music vibe matches with yours in the very first interaction. Its like our music taste is a 99% match. Of course, one of the best memories of the trip was the game of mafia, you best mafia ever! Trust me being a god and knowing who is who, and seeing you modulating the whole conversation soooo freaking darn well!! I mean my mind was blown. And yeah cooking session reh gaya, but we definitely do that someday somewhere (let's hope so). It was really great meeting you, glad to made friends with you in the very last sem. And all the very best for all your future endeavours. P.S. your drunken dance video was awesome!!, loved it!!, hope to see it LIVE someday.

Best memories in campus ?

Night walks with friends and early morning runs

Bigest change since first year ?

Much more relaxed about most things

One thing you learned from here ?

Depending on how you use it, discipline can be your greatest friend or your worst foe. Don't forget discipline, but don't live your entire life by it either.

One thing you'll miss the most ?

Most of it (except for the acads XD)

One thing you'll regret not doing ?

Not going on more trips will definitely be a regret

DHAIRYA AGGARWAL

One of my constants in 4 year. Same department, then same hostel, fir Techniche mein bhi the and many similar habits as well. You know mujhe starting se hi apan mein kaafi kuch common dikhta tha and tu waisa hi seedha banda jaisa mai tha but ab dono hi utne seedhe nahi hai....lol. Tere replies on anything we discuss alag khatarnak. Saari classes jaata tha (PPO aane se pahle) and 6th sem mein toh tere notes se padhke hi saare exams diye maine. ML gawd, kuch bhi puchlo he has an answer (tumhe samajh aaye uski no guarantee Xd). Aise hi machate rahna bhai. Apan saari trips saath gaye Meghalaya, Tawang and all were memorable. Waise toh aage bhi saath hi rahne wale hai, chalo flatmate sorted. Aur haa iss baar marathon saath mein bhaagne jayenge. All the best for everything bhai.

ARYAN BHUSHANWAR

Mere phone pe #3 speed-dial karo toh tujhe call jaata hai :) Aapka subah 4 baje utna toh itna world famous hai ki even meri mummy bolti hai seekh tujhse kuch. But to be honest, poori lobby ko mera alarm utha-ta tha lekin mein tere bharose hi uth-ta tha XD. Vaise ek baat bata, kaha se laate ho itna ultimate chad views? Tere saath kisi bhi baat pe discussion karna is another form of entertainment all together, because pata hi nahi tu kab kya bol de lekin kuch bhi bolo, maza bohot aata hai and jo dimag khulta hai, my gawd! One of the best qualities you have is that you call a spade a spade and the ability to sniff out bullshit (woh alag baat hai tere saath bullshit karna is enjoyable in itself) and this will take you very far. Bas woh ucchai se humko yaad rakhna =D

SOHAM PARUNDEKAR

One of my earliest friends in IITG. Goes to bed at 10 pm, wakes up at 4 am and goes for a morning run every day. Itna discipline life me kaise?????? Always a neighbour in Disang but fir hostel hi change ho gaya last year. Thank you so much so saving our asses with your notes, assignments and in quizzes too. Special thanks for Sreenath ki last quiz jis me literally zero padh ke aaya that mai (first and hopefully the last time in life lol). One of the few constants in my IITG journey. Bohot unique view point hai life ka tera. Never change the way you are. Wishing you a life full of happiness & success. Stay in touch always!

AKANKSHA VERMA

Such a happy soul you are and that smile suits you!! One of the sweetest, energetic and lovely person I met on campus. Initially we met each other at athletics club, you were the reason I was able to survive hours training on the ground (thanks for those small motivational talks). I remember those late night walks after training and missing dinner, sometimes (ah that was frustrating). Meet soon!

Best memories in campus ?

Two unforgettable night walks, two years apart, two different people, on the nights before leaving campus. Intrusive thoughts led us to explore some restricted places, and the adrenaline rush created a unique memory. Yet, those nights were also among the most peaceful I've ever spent on campus.

Biggest change since first year ?

Beard aa gayi + gain bhi kar liya. (iykyk)

One thing you learned from here ?

Live in the moment and work on yourself without waiting for the perfect time.

One thing you'll miss the most ?

That advantage ki Assamese mai baat karne par hamesha special treatment milti thi.

One thing you'll regret not doing ?

SOHAM PARUNDEKAR

One of the very few people on campus I wish I had spent more time with. Last sem jab mile ekdam instant connection feel hua. Same likings, same interests, full wavelength match ho gya bhai se. Patte, Chess, Cricket & vo saari cheeze jo likh nhi sakta yaha. Found a friend for life in you. Bohot maza aaya last sem bakchodi karne me. Patte khelne ke liye humesa ready rehta tha mere jaise. And cricket me chupa rustom. Op batsman, mystery spinner and throw to Jadeja se behtar. Jitne reels and pop contexts tujhe yaad rehte tu bohot accha quizzler ban sakta hai lol. Wishing you a happy and blessed future. Stay in touch always! Aur maze karne hai saath me BLR me. Reels bhejte rehna <3.

SAKSHAM KUMAR

Apne karan bhai ki toh kya baat kari jaaye. Pehle toh maafi chahunga "Nepali" bolke introduce karwane ke liye. Ab aate hain yaadon pe. Sabse pehle toh apna shared cryptic humour yaad rahega. Yaad rahega Bambayi mei saath ghumna, 4th sem ke end mei pura campus ghum ke photo lena, lohit mei raat ko baithe gaane sunna, bakchodi karna aur obviously deep conversations. Jab bhi koi puche pehli baar naasha (all types) kiske saath kiya toh mere naam lena btc. Goes without saying, IG pe streak maintain rakhni hai, duniya ki har nayab cheez par apni nazar honi chahiye kyuki tabhi toh global optimum milega. Bas, bhul mat jaana. Shaadi mei zaroor bulana. Aur Bangalore aaun toh milna.

Arey Mr Cambio King, saala pata nahi kya hi kismat hai hamesa cambio mein last round mein baazi palat deta tha. Bhai pehle terekoh bohot hi padhaku banda samjhtha tha, kyunki bas exam ke pehle Sarthak ke room pe mil jaata tha. Last sem mein pata laga bhai kya hi mast banda hai. Cricket aur Patton ke liye hamesha ready. Aur uss din lohit se room le jaane ke liye thank you. Also heartbeat thik hai na ab xD. Kuch bhi life advice ya baat karni ho terese kar sakta hun aur har conversation kya hi interesting hoti hai. Ek trip plan karte hain jald hi. All the best bhai, balti aur surf sambhal ke rakha !!!

ANIKET KUMAR

Bro is the most disciplined mf I met in cllg. Maine tumhe first year mai notice kiya tha ki yeh Banda legit kitna padhta hai. Baad Mai 3rd sem achi dosti Hui apni. Digital lab mai ek dusre ka ckt dikhana, verilog ka code tepna and whatnot. Same Homelander wali vibes aati hai tumse. Tumne laptop mai woh clip kaat ke rakhi thi Stronger ,smarter ,better. LOL Ek dusre se accents mai bat karna , serious situations mai rone ka mimic karna. Thoroughly enjoyed my time with u. Aise hi smart ,confident aur humourous rehna. Aur sale Blr mai kabhi plan Bane ghumne ka toh mana mat karna !!

ICHCHHA GUPTA

Hehe lakshya (lachchha), I hope you are still very grateful to me for being the founder of our amazing whatsapp group. You are welcome. Thankyou for patiently listening to my doubts in first year. going to khoka with friends

Biggest change since first year ?

stopped caring about useless stuff (gossips and relationships). life becomes 100x peacefull. learned to be grateful for small things and having friends.

One thing you learned from here ?

If you want to do something just do it even if you have to do it alone(like joining a club or participating in a event), dont waste your time asking others if they are going to do it.
And finally people really dont care they are busy with their own problems so dont be afraid

One thing you'll miss the most ?

Being able to meet my friends whenever I want. now it wont be possible as they all are not going to be in different rooms but different states

One thing you'll regret not doing ?

postponing happiness. like intern ke bad sab set. place hone ke bad sab set aisa mat karo. future is really unpredictable. chatGPT ake pura 2024 batch ki band bajha di. so therefore padhai ke time padho aur khelne ke time mai khelo.

It has been filled with unforgettable moments - city trips, events, lunches, dinners, and those late-night meetings when event chud gya ho, but still pulling it off. bo, i think I've thought about what i have to write here more than what I had planned to write in that autobio course, both with equally bad results :(some people remember you in their bad times :), we became friends because of your bad? time, love how losing things is not just a woven part of your own soul, it is also what connects you with others (lost tokens and broken locks atleast :)) i admire your dedication, discipline and determination you influenced me in so many areas of my life. i learnt the guwahati time scale because of you step count is a little low, my watch misses you and your stories:*) the aero days will be one of the best college memories (even though i hate you for what you say everytime i say this iykyk) but sorry, i still love lemon tea, you didnt takeÂ thatÂ awayÂ =D

BATHULA JAHNAVI

First of all, I have a career because of you :) In you, I found my family, my soul sister. I will be badal in you sky or rait to your sagar - always with you <3 Wherever I am, I will be your no.1 protector. We have rakhi connection also. I have plenty of business plans for us, starting from a dance academy to film critics. Also bo, baal kholo na and your smile is very pretty :3 I love you very much. Going to meet you v soon and give you many many hugsss. May the lights be with you :))

EEE ki Mother India ho bhai tum! Tumhare notes ke bharose hi toh 4 saal nikale hai <3. Hamesha hi haste hue dikhti ho, kabhi koi tension nahi, and itna effortlessly roast karti ho ki kya hi bole! Electronics Club mein iklauti female presence thi ek time pe XD. Aadha department tumhare bharose degree lene waala hai, abhi se aadhi proff toh tum ban hi chuki ho, baaki aadhi bhi ban hi jaogi, always be this kind and helpful to everyone. God Bless!

It was the best of times, it was the worst of times, it was the age of wisdom, it was the age of foolishness, it was the epoch of belief, it was the epoch of incredulity, it was the season of light, it was the season of darkness, it was the spring of hope, it was the winter of despair.

Best memories in campus ?

Definitely the last semester. It was literally a dream. Spent every moment doing what I love - quizzing, playing cricket and Judgement marathons. Made some really great friends. If I could do it again, I would do it the same.

Biggest change since first year ?

Realised can't do everything. Got to take a leap of faith and prioritise. And there will be consequences. All we can do is face them.

One thing you learned from here ?

We must all suffer one of two things: the pain of discipline or the pain of regret.

One thing you'll miss the most ?

Quizzing - My first love in IITG. Never knew I had a thing for it. Loved every moment as the Quiz Master. Formed some great bonds with juniors and seniors.

One thing you'll regret not doing ?

Taking more risks (both academically and in life) instead of letting life play out on its own. Wish I had taken control without fearing the consequences.

ARYAN BHUSHANWAR

"Men want to be him, women want to be with him." One of the permanent fixtures of my campus life, you are one of those people jiske around koi bhi comfortable ho jaaye, aakhir aise hi neta of the department koi nahi banta. Effortlessly jeena koi tujh se seekhe, fir chahe exam ke 3 ghante pehle padh ke 8+ CPI laana ho ya Udgam mein machana, placement phodna ho ya club ke faccho mein fan following, you always make it look so easy. And aapka optimisation sir!! AGI bhi aayega toh tujhe beat nahi kar sakta XD Thanks for reintroducing me to quizzing and raat ke 3 baje tak chalne waale jue ka adda <3 Always keep chilling and smiling aur bolne ki zarurat nahi hai lekin fir bhi bol raha hu, shaadi mein zaroor bulana, aise bhi teri bohot parties bachi hai lol!

DHAIRYA AGGARWAL

One of my constants in 4 year journey. Courses, Intern, Placement prep, bakchodi, rr, sab saath mein kiya apan ne. Par saale North East ki ek bhi trip pe nahi aaya hamare saath. Badi calmness se apni baat pe data rahta tha, never seen you angry. Subah uthke padhna start karta tha din ke exam mein and still 8+ CPI, hame toh nahi bataya but ye secret fachcho ko pakka se batake jaana. Tujhe dekh ke I got into quizzing and fir Inter bhi jaane mila, had a lot of fun. Itne saare PORs, quizzing and other interests sab mast manage kiya tune and still jab bhi puchho kya kar raha pe constant answer - "Timepass". Word limit hai nahi toh eassy likhta xd. All the best and stay in touch warna ghar aake marunga.

Bhai hai part time engineer, full time juaari aur astrologer. Itihaas gava h ki jis bhi team ki Soham ne taarif kri h uska downfall ka countdown usi time shuru ho jaata. Pehle itna interaction nai hua tha , pr last sem ke late night cricket matches ho ya all nighter maar ke cambio/judgement khlena ho ya impromptu play ka plan bnaake farewell pe perform krna ho , kaafi shi memories bni h college me tere saath. Abhi toh Bangalore bhi aa rha h tu CA ki job krne , toh vha bhi ye sbh jaari rhega. All the best for your future Soham!!(bs World Cup mein TV bnd krna aur India ko support mt krna dil se)

I'll always remember our first hospital run in :") Major respect for always being up and about so early. You are one of the few ppl ik who just somehow manage to do everything. Sports music acads (auditing 2 courses in last sem ^_). Hats off! I'll definitely miss our corridor talks and rants about the stupid things happening in campus! I hope you get all that you desire. Wishing you luck for the future! Let's try to meet either in Pune or Bangalore. PS: your scarf is realllly cute

ADHRUTH GANESH

we had some pretty good times doing all that we did for the club didn't we. your enthusiasm, energy and even sincerity at all times was always so refreshing, inspiring and impactful! even if i didn't show it, trust me it was very helpful xD. it was great talking to you each time be it about astro or simply being curious about some technical/scientific detail or some funny thing that we all discussed after our observation sessions, it was all memorable

ANURAG SANJAY KADAM

Felis katus :P you're the most extraordinary person i've met in my life. may it be your passion for physics, debugging skills, "other" skills, or your kind heart. couldn't have asked for a better companion for my college life. thanks for always being by my side thru thick and thin. never thought id find someone in clg who loves physics as much as i do.. ig i was wrong xD Atb for all ur dreams and beyond!! KARAN UPADHYAYA

3rd sem mai sab bolte the “Ye to design karta hai”, pehle laga tu AutoCAD mai design karta hai, fir laga BDes ka hai, sahi se pta chalne mai aadha sem biit gaya. But tere plans nahi master plans rehte hain koi bhi chiz ko tackle karne ke liye. Cooperate gyaan hamesha dete rehna aise hi, also epic software recommendations bhi. Baaki work life balance karega bol raha tha, uske liye All the best, work to kar hi lega itna to pata hai.

VIGHNESH DESHPANDE

Ved bhai tu itne saare cheeze eksaath kaise juggle kar leta tha bhai. You have always had my deepest respect for your dedication and passion towards work bhai. Baki 3rd sem se lekar abhi tak kafi zyada memories rahi hai apni. We should do something like the meghalaya trip again. Bs ek ghat session reh gaya apna. But koi na bangalore mai challenge koi pub mai! All the best bhaiii and stay in touch!!

GOUTHAM JYOTHILAL

From being the popular design-content duo in E-Cell to a friendship with no boundaries, we have come a long way. I always wonder how people with such different tastes and interests could come close; you were my answer to that. The person to look up to when one feels lost or doubts their work ethic, aspirations and ambitions. Gotta cover all those plans we made & make more plans, lets begin soon.

ANIKET KUMAR

U won't get bored if Vinod is around. Genuinely funny and gutsy guy. Bhai ne Director ko meme bhej kar apna loha sabit 1st year mai hi kar diya tha. Apan 4 log joh library mai placement grind karte thai , raat ko bakchodi kaatne jate thai , woh sab hamesha yaad rahega mujhe. All the best for future endeavours! Milte hai phir kabhi

VATAN NARANG

The most daring guy in the college. Jo kaam kisi ki gaand me dam nhi h krne ka, vo Vinod gawwd kar skte h bs. Thank you mujhe online sems pass krane ke liye. The selfless, genuine and hardworking person. All the best Vinod. Also stay in touch.

GAYATHRI E

Entertaining since epdiyavadhu pass panum. How do we as a bunch end up becoming high af teenagers (with zero alcohol involved), but as individuals aren't that deranged. Our disc discussions never really have any production value but are really high on entertainment value xD. As annoying as you are, I'm pretty proud to announce that I used to your bullshit by now. Continue being annoyingly annoying people but also don't get yourself killed in the process :)

S VENKAT BHARADWAJ

Where do I even begin... From the first rosemilk to the last, there have been so many memories (from good ones to bad ones) and so many jokes (mostly bad ones). From studying together in 2nd sem to all the chumma ukkaruvom va discord calls, bro has been a constant through everything. Here's to the most supportive, albeit the most annoying person in my campus life. Looking forward to all the random disc calls that we'll have.

AMIT THOMAS

Met you as the mallu who's malayalam absolutely sucks XD Had too much fun/pain during last sem CS minor, our sadistic humor was what kept us sane during the project Know that you're a hardcore gamer, can only imagine the kind of stuff you shout during Valorant games, nay, even during phone calls some random stuff is happening XD Hardworking and super helpful, wish you only the best for the future!

Hey adhruth we had awesome convos in the online days, really wished we met more in the offline times Agreed, when I learn how to Google basics stuffs it's over for my haters hehe Bro really played the most ingenious pranks with me bro was one of the first to wish me happy birthday out of the entire batch He seriously became grammer Nazi in the most serious of moments lol Really great dude. Hope to see you do great things in life. Take care brother!

DEVAHUTI TALUKDER

the one person i can be sure of who isn't listening (and esp making notes) in class besides me. super smart guy who looks like he's above it all but is the biggest gossip queen ever. dzuko was so much fun in hindsight (after almost being sure we wouldn't make it out/ freeze to death). love how nonchalant you've been throughout it all. goodluck for everything that lies ahead, including paying a million in cancelation fee someday.

SRISHTI GOEL

Hey secyy, Had a ton of fun just flying off the handle in those Equinox meets and you just responding to them with a "hmm". I could literally be talking about building a rocket in the next month and that would be your reaction. It's always surprised me how much you know about astro and yet your true passion is in Quantum Optics... Wish you'd come for Tawang. Would have been a blast. All the best for the future!

AVINASH YADAV

Dekha hajaro dafa aapko, fir bekari kaisi hai, sambhale sambhalta nahi hai ye dil, bas aap hi aap baaki hai Hey bro, I've never met someone quite like you. You truly embody goodness. Whenever we talked I felt so nice by your kind smile and the funny things you say. No one can guess in a ripped up body like that, resides a heart that is so pure and kind. Thank you for encouraging me to do push-ups, even though I still can't quite manage them. Your support means a lot to me. You will always remain my sensei. I also need a job in your startup master.

ROSHAN KUMAR

Hey Man! I never knew when you got such a great friend, someone I can depend on anytime and all the time at Aero was so fun! The Swimming pool testing would have been much harder to pull without you by my side! The Gym-bro , bulk-gawd, yet the sweetest person I know. The nightout we pulled before you leaving was also good and making sure the other "3 idiots" are up! Stay the way you are man and I wish you succeed in everything you do! Stay in a constant touch and Broooo lets date on double date soon

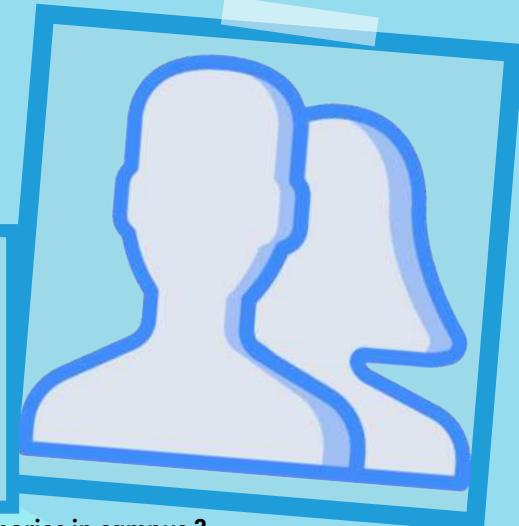

SIDDHARTH GUPTA

The most pure hearted guy to ever exist, but seriously dude start saying no to people. Super hard working but lazy enough to miss "imp" things. Emotionally dumb with weird porn choices, and dude you hit super hard it hurts for days. How can you be so jacked up but so anti-aggressive ? Get me the post of CEO in your company and obv we will meet soon, need to fly more drones together.

The side effects of alcohol include dependence and addiction, especially in people who have depression or anxiety. It can also increase the risk of suicide. Regular, heavy alcohol consumption can also result in unhealthy weight gain. Even drinking small amounts of alcohol increases your cancer risk.

Best memories in campus ?

I have had some of the best memories of my life on this campus, from vibing with friends in Ghat to taking trips across the north east. But, I would say the best feeling is when I just drown my self in the lovely roast battles which take place in hostels....Nothing beats hanging out with the boys...

Biggest change since first year ?

Engineering life has taught me very little about engineering but a lot about life. Each semester morphed my mindset and perspective, I truly was 8 different people, one in each semester here at IITG. Mainly, I grew more confident and learnt to stay unfazed in the middle of troublesome situations.

One thing you learned from here ?

Best thing I learnt on campus was that people are not so different from you and me. As I met a diverse range of people, I found comfort in the fact that we as humans are all learning about life everyday...

One thing you'll miss the most ?

I will miss the comfort of having my people around me. IIT Guwahati truly was a home away from home for me and I will genuinely miss everyone once I go to an unknown city with unknown people around....

One thing you'll regret not doing ?

I regret not taking risks in life....There were many points throughout my engineering life where I had the opportunity to step up and take up responsibility but I failed to do so....From Class BR to Senator to Club Secy to Gen Sec, a little regret resides inside me that I didn't take that shot!

Sachin Vijay Borkar

Hi Bro I still vividly remember the first time we met during my interview for the position on the Election Commission of the Gymkhana Events and Logistics team. You were the one who interviewed me, and from that moment, I could tell you were a kind-hearted and friendly person. Your warm demeanor and approachable nature made a lasting impression on me. As we worked together on the Gymkhana election, I got to know you even better. Your willingness to share some of the secrets of IIT made those moments even more special. The entire experience was both enjoyable and memorable. Your friendship and support have meant a great deal to me, and I am truly grateful for the time we've shared. I wish you all the best in your future endeavors.

Agr me class song join nhi krta to pta hi nhi lgta ki kya kamaal ka aadmi hai tu, bhai tu, me and tarang ki alg hi bonding hui. Sara clubs ka management kiya wo bhi akele, koi aam baat thodi hai. DEVID KUMAR DEKA

Really energetic, enthusiastic, hardworking and dedicated. Digital electronics lover. bacho ko jeetna padhaya .. utna contents to prof ak sem m nahi padhata. Ak do comments se hi pure conversation ki gand maar deta tha. I still remember your hilarious oversimplified description of that Class-D amplifier. It was really fun working with you in EC club. wishing you best of luck for your future endeavors.

Always thought you were a serious guy but in the final sem we all saw you bakchod side too. Never gonna forgive you and chitti for harassing me all the time. Ha ha ye wahi bnda hai jo houseparty me 11PM ko hi so gaya tha. Will miss you a lot... keep shining brother.

Should I write the testimonial? We are not that close na? YES, WE ARE THAT CLOSE. The only person on campus with whom I could speak freely in Marathi. Always used to feel at home whenever we spent time together. I still remember your face when you realised ki mala Atharvashirsha yeta. Lol, kaay judge karun thevela tyachya aadhi mala kay mahit. Never gonna forget those long walks we had in the last sem. Those intense discussions about the future. Aapli kashi olakh zaali mala hi aathvat nahi. Maybe it was meant to be. After all, we are fellow ragda lovers <3. Never change the way you are. Wishing you a life full of happiness and success. Stay in touch in BLR! (Just like we are now even after college, reels pathvat raha.) We owe each other that pending zoo trip lol. Cheese pav bhaji >>>

ARYAN BHUSHANWAR

You have that anime girl enthusiasm with a "Letss Gooo" always ready at hand XD. You were the token female presence of my college life, have known you since 3rd sem but still wish aur pehle mile hote. SAIL ka kuch bhi rr karna hota tha toh you were always there, apni after breakfast walks pe jo insights mile hai, hamesha yaad rahege. Tujhe bohot grow hote hue dekha hai, from that uncertain, shy girl to becoming SAIL outreach head and one of the most fun friends I had in campus. Itna bt lena and overthinking chodd and thoda chill kiya kar, and dhang se khaana kha, moti nahi hogi tu! You are definitely the most hardworking people I know in college and are made for still greater things, GS toh bas start hai. Go get that oxford admit next year and Dumping Ground active rakhna!!

DHAIRYA AGGARWAL

A girl whom whenever you come across, waves her hand with a smiling and cheerful face, none other than Aditi Joshi. Tujhe aise dekh ke hi energy si feel hone lagti thi. Many a times classes, quiz, assignments, exam ko leke pareshan rahti thi, ab topper jo hai ye mam but mastii ke time pe khul ke enjoy bhi karti thi. Apan dono ne ek dusre ko apni life ka itna rr sunaya hai time to time...lol. Last sem mein always ready for any plan. Last sem ki Aditi was bit different, more open, more humorous, more chill and aise hi rahna aage bhi. Ab tak ek hi trip gaye but koi na aage pakka jayenge aur trips. Bangalore Hyderabad waise bhi iyada dur nahi. Will definitely miss a sweet and caring person like you. Wish you success and happiness in life and stay in touch.

AKSHAI M

Hope to see your name on one of the best inventions of this century. Will miss you bro Also bro try to stay in one field, quit jumping to a new field every month. Best of luck

ADHRUTH GANESH

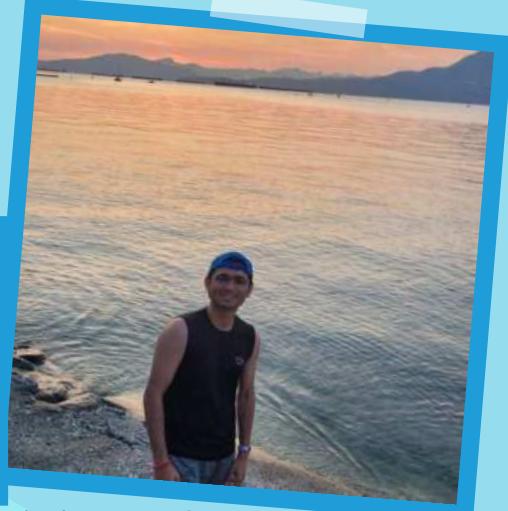

i think you are sincerity personified. it was so nice talking about many nerdy things, silly things and so on. i've no idea what you really like doing, first it was quantum dot, then you did optics, math, ml idk i lost track long back lol you kept doing everything and you probably did it too much too perhaps. but you were always nice, humble about everything and that is really admirable. i guess you also did change in so many other things since first year huh <_<

Hey Jasim !!!! We met during our online sem days and talking to you was always fun and a constant source of entertainment. I remember meeting you in ccd in first year and my mom was also there u somehow tried greeting her with namaste, she still asks about you xd. You were an amazing person full of energy and the best iPhone photographer of our class. Wishing u the best and many more gossips from you are expected on a regular basis.

In these last 2 years, I saw you strive for all of it diligently. Thank you for inspiring me to live in the hope of all I am glad to have crossed paths with you, all the very best, I'll always be here cheering you on<3

ADVAITH KRISHNA A

What started as randomly bonding during those first two months on campus with COVID grew into a great friendship. You were one of the first people I really clicked with at college, and I'm so glad we did. You're honestly one of the most interesting tech people I know and an all-around great person to have by my side these past few years. Glad we talked a lot in our final year... and all the best!

Hi hi xD (small x = small eyes), I am bad at writing these things, anyway Iâ€™ll try. Thnx for putting up with my noob level badminton skills, tho I like to believe I became a pro in only 3 days because of you n Piyush xD. Maybe, someday if I am able to run like you, Iâ€™d be finally able to lose weight. Tho our memories together is very little, but hey, itâ€™s quality over quantity. And from our jamming session itâ€™s very clear that you have a very good voice, keep singing :). Letâ€™s meet someday when I go for Manipur Food Tour. Hope you get what you wish for, good luck for the future

NIHARIKA SINGH

Hey my fav and the closest friend <3 You're the best person I have met in college. Thank you for being with me always. I'll never forget the time we spent together. Heyy Panti, I know we have barely interacted in our college days but I have a feeling that we would have been really good friends in another universe...You have a unique name and the best fashion sense in our class, and most recently I got to witness your amazing singing skills...Your level of faith and kindness is very admirable! I wish you the best on all future endeavours and leaps you take!

**NIHARIKA SINGH**

Hellooo I just don't know lol how it started but our friendship means a lot to me coz from not knowing each other to having those deep conversations with u, we share a really good bond. I hope we get to play more Valo together in future because, without you, my toxic callouts know no bounds :').

One thing you'll regret not doing ?

PAWAR FALGUNI MAHENDRA

I met you in my first ever toastmasters meeting, I was so nervous as all that was new to me, and there you were smiling radiantly at me to encourage me. After we became roommates, I found this situation repeating all over, remembering all of the times I stood with shaking hands and you calmed me. Thanks for being my ground so I could fly. Someday we will sit watching a match and reminisce about all of the dressups and the fuckups. You are my favourite pick me up. It's a shame to not keep you for myself, but the world needs a radiant, empathetic and kind woman, confident to the last cell of her body. We learnt how to rule the hall, but if you ever find yourself struggling, I hope our memories break the fall (that's all for today) Love you so much, college couldn't have been better <3

KRUNAL PRAJAPATI

Knew a lot about you before we met (Sorry calls ke bg me sunai deta tha hehe). You are what I expected a strong female leader to be, and you proved me right. Thanks for inviting me to ball, but truly thanks for all the times you were there as a saviour for my relationship. Even in banglore I'm coming to you for booze, forever supplier ;p. Mereko toh Gyan Dene ki aadat hai, but u genuinely cared about the gyan. Will forever be available for more gyan. Won't say to eat, voh baki log bahut bol chuka, would just show up in hospital with food. Thanks for being a kind friend Suhayl. See you soon

PRANAV NAIR

Met you first in online Toastmasters sessions... Waha se lekr class song tk, we did a lot of crazy things with its ups and downs. IITGMUN, E-Cell, IITG.ai, Hackathons Convos with you were often fun and scary, maybe cuz you never needed a mic like me xD Always admired your bold, smart, yet calm personality in handling everything so well. Hope to catch up with you soon. The bhatakta aatma will definitely miss seeing you around randomly at 1am with spontaneous fun chats and world changing ideas.

All the blessings from God be upon you to be healthy and happy and successful in future. I hope to see you again in future, I LOVE YOU.

Best memories in campus ?

Meeting new people from diverse backgrounds was a highlight. I formed deep, lasting friendships. Late-night conversations created strong bonds.

Biggest change since first year ?

I've transformed from a tentative freshman into a well-rounded individual ready for the next chapter.

One thing you learned from here ?

The best thing I learned here is the importance of perseverance and adaptability. Navigating challenges and adapting to new situations has taught me resilience.

One thing you'll miss the most ?

Night walk with friends and chai ki tapri.

One thing you'll regret not doing ?

One thing I regret not doing during my time on campus is joining more clubs and extracurricular activities. I missed out on opportunities to meet new people, explore different interests, and develop additional skills.

Tarang, I heard so much about you from Suhayl when you were working on the "product that converts energy into lights when you walk on it" You guys always amazed me with your teamwork and dedication. Even after that when we briefly passed by, you greeted me with warmth and in Marathi!! Momentarily making me nostalgic about home, such was the warmth of your presence. I'll miss bumping into you everywhere in campus. Anywhere you go from here, go with all of your heart. All the very best!!

Hiiii Tarannum !!! How sweet and adorable someone can be. Your innocence and ability to achieve everything single handedly says a lot about your personality. We shared a great time together, walks around the campus, market complex, Ganesh Chaturthi, airport talks and numerous other events. Bas thoda sa aur extrovert ban ja. Hoping to see u in Delhi. Keep shining and exploring what u love.

CHITTI AVINASH REDDY

Hey Tarannum, You are one of the most beautiful and interesting people I've met at IITG. The more I got to know you, the more I realised there's so much more to discover. Your innocent humour is refreshing, and I hope you break out from your shell and share it with the world. I hope this testimonial serves as a reminder for us to keep in touch. A promise is a promise, after all!

PANTITHUANLIU KAMEI

Dear tarannum, You have been such a good friend of mine. We had spent a lot of time together and I know that you are such a simple girl. You are great and you work so hard to achieve whatever you want. Your patience and everything is what I should learn from you. I wish you the best in everything you'll be doing in near future. BAGDA PARTH

Bhut tech savvy Banda tha, sab ke mod app and software bhej deta tha ek msg krne per, mostly friendship online me hi Hui thi, telegram through (jab exam me cheating krni thi), fir to bas roj online meeting krte , aur woh jo discord me raat bhar songs sunte, chemical process ke tutorials and exams bhi sath me discord se copy krna, college me pehli baar views point wali backchodi kri, usme bhi fas gye, fir to night out kre, aur arindam ke room per gyaan. Chodna and Humara 3idiot group, aur bhai Ahmedabad kesa Laga?

MUHAMMAD BIN QUASIM

KGF wali looks kab dikhayega bhai! Brahma m sabse jyada bhandape maine tere room pe hi ki h, aaj bhi yad h wo crazy bhandape, jab m aminur k sath pubg khel rha tha. Thannks for all those nights. And sabse badathanks for that album jo tumne create kra h <3 loved it!! Aur ha mujhe bhi pta h tu Abhay k room pe aata tha jab aata tha Kameng but Kameng day pe jo tum aaye the was very memorable, hope tumne bhi enjoy kra hogta Kameng day)) See u very soon

ABHAY GUPTA

Tere saath bhandape are next level.....First person jo bilkul same vibe match and create karta hai. Nasho ke baad mera dance partner. Endsems mein padhna to sirf bahana tha, mujhe to launde chahiye the jinke saath nashe karke paper dene jana tha!!, shi mein bhai jis din tu aur satyam gye the us din Brahma mujhe Brahma ni laga..last last mein bahut gaand maari hai teri nasho ke baad(best memories)

PANKAJ SHARMA

Maddu bank...bsdka PA1 ka tha ye second year me pata chala. kitna change kara tune first year se ab tk, Ant shantt mehnati hai bhai tu, intern se leke tuje placements tak dekha hai. bhand hoke barish me nahana aur samne ped girna, danny ke room pe nanga nach karwa diya pel bhaiii...ghat tere aur parth ke sath hamesha vibe h bhai, i wish kaash tu bhi tawang trip aa pata ant shant kar dete fir par apni party grp goa jari pkka..bhot supportive aur understanding banda, chennai nahi blr me milte !! will miss youu sm bhaiii

BHARGAB KACHARI

Member of party group, our groups 1day before exam preparation were the best memories that i can remember as of now, pata nhi tumlog puri raat kaise padh lete ho mujhe toh 3 baje sona hota hai, none the less football matches se leke bakchodi tak, birthday celebration se leke larkiyo ki upr batein tak i enjoyed every moment with u guys. At last best of luck for ur future bro. And prty grp jindabd.

DONGRE ARINDAM RAJIV

Aur bhai tera pura transformation dekh liya first year se. Jo raat bhar bakchodi karte hue ghumte the, phir jo har exam ke pehle puri mehfil jama ke raat bhar padhte the. Teri wajah se hi mai kabhi fail nahi hua xD. Placement ke time apne coding sessions sab yaad rahenge. Apne party group ki itni bakchodiya hai ki jagah kam pad jayegi likhte likhte. Milte rehna hamara bank of bengal, MADDU!!!

heyy amresh, from the time i met you even before coming to iitg as "eij", (when you used to be excited about some glitter pen thing on jamboard i think?) and until now, you have always been someone i really respect (probably one of the most). I want to be able to put in the dedication, hardwork in whatever i do that i've seen you put into anything you do. I really admire the passion you have, and the consequential drive and motivation it leads to. you are still so damn nice and humble, and hopefully have not stayed true to your name eij :) i know you will go and become big no matter what, so all the best for whatever lies ahead ! i'm still open to editing blogs xd i really hope we meet again someday

KRUNAL PRAJAPATI

Bhai you are one of the rare people jisko kitna bhi god gaud bolde, it never goes to their head. So humble, yet inhumanly smart. You were like a safety net for me, kyuki design toh mai kuch bhi kar dunga develop kaun kar payega - Amresh of course. Abhi bhi yaad hai itna ganda sa senior experts ka diagram banaya tha kuch samajh nahi aaya tha, phir jake meeting me usko ussi ka server ka address dikha diya. Bhai kaise kar leta hai, mai toh fictional charater likhe hue bhi itna rizz nahi de pau kisiko. Sorry for all bihari jokes (they were all funny). We'll achieve incredible stuff in life, meet u in banglore bro. bhai ka forehead is the darkest lightbulb (sorry yeah pakka last tha ;P)

GUNJAN DHANUKA

Hello fellow Bihar-boy! Mai bahot jyada shock me tha jab tere ghat antiques pata chale the (^o^) Par anyways, tere jyada pro but humble person ni dekha. Aise toh tu bahot shant and introvert lagta hai but we have seen the chaotic side of you pretty well (refer to rethyam ka door). Tere table pe bahot saare tissues the, baad me reason pata chala (its for cleaning his room dw :p) seriously tho amresh, I wish you all the best for all your goals, apna aur apne third leg ka dhyaan rkha XD BT mat lena jyada kabhi, you have us hamesha bhai :) you will do great things one day once your thigh pain subsides (*^-^)

PINKEE KUMARI SINGH

Doremon chacha.... Chachi kb aa rhi h ???... Aur tere se jyada khati hun mai... Sare time competition me hraya h maine tujhe....

ANMOL KATIYAR

Mera Jethalal...from first manas mess ki meeting which I don't know tuje yad bhi hogi ya nahi, to this date, when I look back I see you as my only constant in four years. Fir chahe wo sath me same time Wp status lagana ho, yb samajhke dp laga dena when no one could even get me, s84 s85 me sath holi diwali rakshabandhan manana, teri bday trip, dzuko. Placement sem me hostel alag hogya but tera hamesha "hn room pe hai, thike aara hu, ek double masala maggie bolde" was constant, kya hota mera agar tu nahi hota last me bhai se lekar ghat chalega ke calls...paise nahi hoge par aaj absolute vodka mai pilauga. You are everything whom i can trust blindfolded...This time ended but atleast i got you as my parammitra (wo letter aaj bhi h mere pass) .Baki tu blr aaega to fir se aajoo baju reh rahe..

Kattar rival. Tu Manchester United supporter, mai Liverpool. Bohot maza aaya Footballistas pe. Kya hi gaaliyaan deta tha tu Utd scouting and playing style ko lol. 7-0 kabhi nahi bhulne dene wale mai tujhe lol. Ab to takla vs takla vs takla rivalry hogi. Jaldi se Manchester ko red banao. Fir Liverpool ManU rivalry me vo historic maza aayega. All the best for the future! Footballistas pe active rehna.

AMAN KUMAR AGARWALA

Emotional support ke liye ek he darwaza pata tha bhai mereko. Wo trips, tera dance, tapri parties, exam wale nights, placement ki tensions aur kya he reh gaya tha krne ko. Wo spiritual baate aur mere kharche (all because of u). Wo innocent sa arindam jo clg se jate time ro deta tha se wo gentleman wala transformation. Glad ki tough times were dealt together. Touch m rehna warna sar phod dunga.

To my feisty marathi friend, When your kids point to the photos of Coding club, tell them how I recorded them with glitter in my eyes. Photos of moments when we went on to being one of the best teams, holding ethos to codepeak. Photos of us doing absolute shit and giggling about it. Tell em how we were the kings and the queens. I have watched you from sidelines as you achieved all your dreams, and I hope you keep slashing records, I'd always be here cheering you on <3 You owe me a full Korean dinner and yes pls pls bring me lots of merch from US. Thanks for keeping us all glued with your (dark) humor.

Although we did not interact much throughout aapka tenure, and even though we have differences (Forca Barca), I think you are one of the most knowledgeable and entertaining person to talk to. I'm very glad that I got to get to know you, and I hope you have a wonderful future. Looking forward to asking you for a lot of advice down the line (much needed). Thanks a lot bhaiya!

ADVAITH KRISHNA A

Our friendship has been unconventional, to say the least, but I wouldn't have it any other way. We didn't have a "social contract" - could go days without talking and then pick right back up. I remember you getting addicted to Sting and me being my most annoying self around you (sorry not sorry!). We've had our differences along the way, but I'm glad we grew past them.

Yoo Abana! We first met when I nudged you to speak in an online meet lmao, had no clue you just wanted to watch (not sorry for that XD). Glad to have known you better since 3rd year (thanks for carrying OS lab), the first impressions did indeed change haha. I've really enjoyed your banter-filled company. Although you get flustered easily (in a way that makes it fun), you're one of the most mature, caring, genuine and level-headed (ironically) people I've met. Can't imagine how much bigger of a disaster Kaziranga would've been if it was not for you lmao, thanks for teaching me table etiquette (not like I paid any heed). You've been a wonderful friend, loved all our convos. I wish we hung out more often. Let's stay in touch, all the best for everything :)

Abhas urf Bundu from Bundu. Phli baar baat hui intern ke time jb iska call aaya ki "bhai placement ke liye kha se svaal kr rha h", bs vhi she shuru hogya apna "placement buddies" ka safar. Placement mein roz library mein aake svaal discuss krke solve krna , raat ko TT khelna , test ke pehle Job Overflow se PYQ lgaana , aur first saath mein Spardha mein Tennis khelna in sb main kaafi mza aaya . Par sbse zyaada maza toh canteen mein muft ki Trixie aur Cadbury ki Ice cream aur Momos khaane mein tha :), aur fir TV Room ya Library mein baith ke bkchodi krna . Aur akhri sem mein jo bhai ka bumble arc bhi unlock hua kaafi craazie . Tu bhi Bangalore hi aa rha hai , toh vhi pe continue krte hai apna Tennis aur Bkchodi . All the best for your future bro!!

SAKSHAM KUMAR

Bundu from Bundu. pehli baar 5th sem mei baatcheet hui thhi jab intern lagi thhi. Fir pata nhi bc apne aap kaise bonding ho gayi. Rawat aur vikram ke room mei bakchodi session, canteen mei muft ka maal pelna, nashe session (although limited), fir 2nd floor lib aur TV room wale bakchodi session yaad rahenge. Not to mention, last sem mei jo rizzler wala arc develop kiya woh toh crazy thha aur short time mei jo returns mile woh bhi crazy thhe ;). scooty pe city jaana aur bangalore mei ghumna bhi yaad rahega. Denk aur sundar ladkiyo ki reels bhejte rehna. Bas bhai, bhulna mat. Shaadi mei bulana. Bangalore aaunga tab milna. Last but not the least, shaadi ke baad bhi calendar maintain karoge kya?

KARAN UPADHYAYA

Mehnati insaan, tere charche famous hain ki kitna dedicated hai tu. 8th sem kisi aur jagah bhi machaya uske liye congrats. GHM, Tennis, aur tere hook steps to off. A good listener. Baatein genuinely interesting lagti thiin ya bss mann rakhne ke liye poochta tha pata nahi parr curiosity to acchi dikhayi tune. Random: Disang library ulta lete koi chhoti si book padh raha tha. Maine poocha bagal walon se, quiz hai kya? Nahi. Socha koi novel hogा. Math ka koi book nikla. PS: Calendar dekhne ke baad tu Jain nahi laga bhai.

These 4 years were just so amazing. No one could have guessed that campus life could change someone so much. If it wasn't for you guys, I would have barely survived college. life ko seriously nhi le paaya kabhi, par usme hi maza aaya, itni bakchodi, all these late night walks, bt shark krra, bina mitla kb gedi maarna, sabko pareshan krra, everything - I'll repeat everything.

Best memories in campus ?

Sab hi best tha lol, alcher, view point taapna, shillong on scooty, ccd, late night walks, mnc lab, those car rides, manas ki bakchodiyaan, kabir ka room, auli trip, lol even some of the classes (bakchodi kiya tha), guard se bhaagna. IITG lake was although really special to me :)

Biggest change since first year ?

way more open to new experiences :)

One thing you learned from here ?

Bakchodi and enjoy krna obviously :). one could say idhar aake hi to jeena sikha. finding joy in little things, seeing the world in a very different perspective where now I can see beauty in even the most ordinary things, in everyday life, even in the way you sneeze XD

One thing you'll miss the most ?

The liberty, the freedom to go to anyone's place at any time, sab hi itne close the that I could go and hang out with anyone whenever I wanted. and campus provided silent peaceful nights perfect for wandering and relaxing. Those walks felt like meditation. It's rare. I'll miss that.

My college journey is incomplete without you, be it going to every trip, attending/missing classes, going to gym, celebrating every festival, rocking every college fest with weird dance moves, even eating in the mess together. You were my go to person in any situation. I admire your will to learn new things. Very excited to begin my next journey alongside you and create many more such memories.

AMAAN ZAIDI

Keshav bhaiyaaaa Writing this message takes me back on a nostalgic trip of memories, from the very first time I saw you for the Mr. Ms. Fresher event to the last time we met in khokha (you still want those perfumes? xd), I've always considered you as my role model and looked up to you always (literally as well, you are too tall). Every time you spoke, you left all of us speechless with your wisdom (even the prostate exam stuff T_T). Jokes apart, I will miss all the memories we created, your stand up, the improv performances, the AnR clubbings, and most importantly I will miss you bhaiya. It haunts me that I'll go to campus this time, knowing you won't be there. I hope that we meet soon and never part ways, ever.<3

VATAN NARANG

Keshu Darling, and I call you by that from the very beginning when we knew each other for just a few days. You and I are a very good team, whether it be handling bhandi people in Manas, doing improvs, listening to your standup (696969 times a day) or doing a couple dance XD. You were the person whom I contacted the first when I wanted to step into AnR, and I feel how just randomly maybe the best thought of my college life struck me. You have been the most Jainwin, helpful, pyaara cutie person to me all these years. Ab naukri ke time bakchodiyan me milna mat bhool jaiyo saale. All the very best. Love you meri keshu darling with infinite memories that we have together.

SHREYANSH SRIVASTAVA

Bhaiyaaaa !! How can someone be so perfect like you, full of wisdom, knowledge, talent, humour, love and what not. You were such a great role model for me, I admired you so much, truly the biggest inspiration I could get, I really look up to be a personality like you. And thank you so much for those therapy sessions, hehe. The only person, I could look up to for any bt I had. Aap nhi hote, toh I am afraid how would have I dealt with my problems. Thank You so much Bhaiya. Wish you All the very Best for your future, and I know this, you are going to achieve many great milestones and touch even greater heights. Will miss you a lot Bhaiya. All the Best !!

Prem.. my bro!! My bond with you is one of my most cherished memories from college. You're my family. Just stay this happy, carefree and genuine person that you are. Also to me, you've been like the elder brother I've always wished for. Be it the nightouts in first semester or no dues in the last, things wouldn't have been so fun without you. Lots and lots of love for you!

The no fucks guy bhai, aaj ki duniya me where everyone changes their mask to suit the occassion, tu asli chehre se jeeta hai, bolne ki speed sherlock holmes se bhi tezz, aur bhai tera logic bilkul bulletproof hota hai. Tere room pe discuss karna "whether there is god?" ya fir mere bumble ke chats padhna everything was fun. Instagram chalata hai to reels bheja kar, warna contact chhut jayega. Ya fir kabhi bhi call kar liya kar randomly. Pretty sure sirf mera hi testimonial hone wala hai yaha. Best of luck bhai future ke liye, shaadi me bulana zaroor. And thanks for the non-trivial testimonial.

No one other than you comes even close when I have to share some of the wildest, most ungodly and evilest thoughts that otherwise would rot to death within myself. The number of times we have had side convos about the stupidest things going on in the main group>>> The one good thing litsoc did was getting us introduced better. Thanks for kindling the debating flame in me and for being my interviewer. You were a great help throughout college.

Getting drunk with you is a total insane vibee. Piyenge panchoo. Also, take me on treks you plan, you definitely need listener when you start yapping about your horizontal and vertical slices. I'd remember, Indian politics is not bros favourite politics.

SRISHTI GOEL

We got to know each other through LS, and despite never actually having had that meet-up in person, we somehow still managed to keep in touch. Gosh, the shenanigans of trying to arrange for an anchor for that panel discussion. Would always be a fan of your tenacity, the way you stick to what you believe, and the way you kept standing up to Digisha no matter what (damn, that led to some seriously hilarious times too). Regret never actually having had an in-person debate with you, though all the strange friends that kept us in touch kept raving about them. All the best! P.S. Was only at ghat that day cuz I knew it'll lead to the LS meet-up :P

AKSHAT JAIN

I'm so glad we became friends! It's funny how we've known but not known each other all this time, lmao. Always enjoyed hanging out with you. Can't forget to mention our monthly CCD meetups, lmao. Asking you every week to come for NSO class during the 5th semester was like a ritual, but you always had your excuses ready. Our Dzukou Trip, the only trip we did together, was epic. It was hilarious how you got high with a single "bhaang ki goli" xD. One thing I've learned is to never get into a debate with youâ€"I'll never win. All the best for all your future endeavors. I hope we meet soon and stay in touch, buddy.

SIDDHARTH BHATT

People often say meeting a person changed them and made their lives better. I never truly understood that until I met you. You're easily the smartest and hardest(Tim Urban level hard) working person I've met. Every moment shared and every memory made since that fateful Alcher has transformed me into the happy person I am today. I respect all that, and thanks for pushing me and supporting me through all my highs and lows. I'm so grateful for the person you are. I'm eternally thankful for all the time we got to spend together(I'm still not a foodie, though :P). I'm chipku idc.

KULKARNI PRATHAM SHRIDHAR

I can safely say you are one of the coolest and smartest people I met in my final year. It's insane that I have known you only for a year, yet we have had so much fun. Also, I really respect how hard you work on your projects, and thanks for helping me out with a part of my btp, too :D I know you are going to do great things :O Aur tu mujse badi foodie hai so tu muje lekar jane wali food tour pe and we have to Chugg that beer again. Pineapple, Pineapple!

AKSHAI M

Hey you are one of the coolest person i have meet in the campus. You work really hard but at the same time never misses to enjoy the moment . Green-flag alert!! One antonym for Jatin has to be mediocrity! That one guy who would go an extra mile to help you out, in other words, the speed dial contact. He might be the living example of "kindness never goes out of style!". This also compensates his inability to take out some time and treat us with ice-creams. But I do hope you grow wiser than ever!! Much love! Slay wherever you reach!

SOMYA AGGARWAL

I remember our first meeting in the seminar hall. And we thought you were a PhD student. From there, we came a long way, becoming very good friends. You were literally a phone call away. Thank you for listening, my baba, carrying me back from Ghaat & always being there for me. Juniors ko icecreams khilayi jaa rahi hai & I am still waiting for you to treat me. Love you bro & stay connected.

Pratham Rajesh Doiphode

An exceptional mentor and a true inspiration. He is always willing to share his knowledge and provide guidance. His dedication, hard work and positive attitude set a great example for everyone around him. His kindness and approachability not only make him a great senior, but also a wonderful friend. I wish him the best for his future endeavors.

Hello Krishnamoorthi Venkatramanan, myself Abhishek Singh Munda, T-76 from disang. Yaar, mai apse peheli baar mila toh senate meeting mai toh mujhe lagta tha, ye kon rude banta hai, hamesha ladta rehta hai, but the perspective completely changed jab mai 7th semester mai aapse mild. Yaar, aapse mil k maza he aa gaya, aisa laga he nahi jaise kuch diffrence hai apne mai, mai hamesha bakchodi kiya karta and aap mera gaand tudaan hone se bachate.. like elder brother and younger brother. aur toh aur, hamesha ek he baat, koi kaam hai toh batao, mujhe kaam karna hai.. which eventually changed, parth ka kaafi bura asar hua hai aap-pe + ladki ka bhi.. Baki tension not, life is enjoy. tension nai lene ka and shadi mai bulane ka... aur sampark mai rehene ka dekh raha call mess, nai aa raha.. ATB

ISHITA MATHUR

Tum meko masters ke starting se kyun nai mile yrr, bt then thank god atleast mil gye (thank god, uss din foodcourt main meri chappal tut gyi, u were around nd Akshay called u!!) ... Wherever, in whatever situation I am u'll always manage a smile out of me :) ... Thanku Krishna fr being there (whenever I come to d canteen or mess) nd fr extending ur lively company to me! Will certainly miss u! All d very best fr ur future (party baaki hai tumhari)!!

Neta toh aap ho hi sabke liye but Bade bhai kahu ya daddy of the group kahu hamare liye. Aap bilkul central role wale bande ho aur jis tarah aapne masters and bachelors ki friendship ki neev rakhi hai...hats off to you. Bohot bakchodi karte ho yarr aur kayi baar bakchodi karenge ka bolke pata nahi bhaag bhi jaate kahi aur fir bolte the padh raha tha so gaya tha...lol. Waise toh aapki puri story hi unique and inspiring hai, aur yaha college aake bhi bohot machaya hai aapne. Aage bhi aise hi machate rahna, wish all you success and happiness in life. Stay in touch, waise toh Hyd aake bohot dukhi karunga hi aapko.

From "Apka name kya ha??" to "Chal juice pine chalte ha" journey was so incredible. When i first met with u and asked your name the way u told me was so nice and polite. I thought u are so good but o mera kitna bara galati tha o bad me pata chala.Tu andar se bohot e darpok ha, ek horror movie dekh ke puri rat sone nehi diya tha. BTW I couldn't have asked for a better roommate than u. Meet u soon.

Siddarth Nayak (Guddu bhaiya) - from Dihing Group. Upon our initial meeting, I was reminded of the character "Guddu bhaiya". But as I got to know you better, I realized that you are totally different from that character. Your nightly visits and saying, "chal neeche se aate h", "stationery shop se 6 rupees ka saman khareedna" added a special touch to our time together. Hope to meet u soon.

RAMSINGH KULDEEP

I have never seen a more wonderful basketball player; you are always my best running partner on the field. However, you are quite mischievous, often managing to empty my pockets. One more thing: regardless of exams or quizzes, exercise is always a priority.

Kya be laude kaisa hai, From our first meeting to our latest adventure, you have been the heartbeat of my campus life. Without you, everything feels incomplete. You are my jaan, Munna hai munna munna, are bacha hai tu mera deepak. There's so much to reminisce about: our spontaneous dance sessions, the endless bakchodi, and those unforgettable drunk moments. Every memory we've created together holds a special place in my heart. Thank you for always matching my energy, for tolerating my madness, and for being the incredible person that you are. No one else could have done it except you. Wishing you all the best, my brother. Here's to many more memories together!

KHEMAN RAI CHELAK

I just wanted to say how much I've cherished the past two years. From late-night studies to unforgettable events like Techniche and Alcheringa every moment was special. Whether it was our hostel adventures, spontaneous water fights, or midnight birthday celebrations, we've created memories that will last a lifetime. I'm grateful for the shared laughter, support, and challenges we overcame together.

PANKAJ KUMAR JHA

One of the few first persons I met at the start. We had endless chat during the DV day on the last bench. Then study, fun, working, everything has been amazing with you. Great dancer, still remember your MJ moves, RRR and kalavati dance. One thing that's ingrained in your nature is the subtle respect you give to a person, and your humbleness. Keep growing, all the best.

We had some really core memories in 2 years and more to have, and bro honestly u taught me a lot, more of living life and being happy and seeing life in a different perspective. U were there for me when someone I need to listen, and thatâ€™s where it started. The endless talks ignoring time, crazy moments we had and the every single moment of last month is always memorable. Chalo, tere liye yeh bhi kar lete hain. Link tak dhoond nahi payi aur woh bhi tune hi bheja. Samaj raha hain na mera go-to person kaun hain. The only regret I have is of being dumb enough to not spend more time with you, bohot mazeey karte mere bada bhai ke sath but whatever it is, I only have huge amount of respect, lots of blessings and bags full of love to give to you. May the CR in you live through your work life and wherever you ever step into in your life!!

We first connected during the elections when I sought your guidance, as you are the best girl senator. But what I got was so much more than just advice, I got a badi didi who cares about me and taught me how things truly work. You care deeply about everyone. Beautiful inside and outside. I will miss gossip sessions, scoldings for keeping room a mess, our shared laughs. All the best for your future.

VIKRAM JITENDRA DAMLE

It's not every day that you end up befriending someone on the way to run a mini marathon, especially not someone with half the energy in the world stuff stuffed into them. Literally the most famous person I know (yes, I know you have a valid excuse to know them) and a central character in the set that was my final sem. Don't forget to believe in yourself and never let anyone drag you down.

SHASHWAT MISHRA

Kya don hai re, ek dum full tashan me ghumti thi poore time. I remember you not only campaigning aggressively for the elections but also the fierce person you were afterwards. I regret not getting the chance to hear you sing sometime, koini there's always something for the next time that we meet :P Life me machate rehna as usual!

The singer in you is the best thing I've seen in campus. "Tuta hua saz hua mein, khud sei hei naraz hu mein" from Milne Mujse aayei song you gave it to me in the first semester. Do still reminds me. To Avni, I want to start this properly—"hello, Avni. It's me, and there is so much to say about you. I don't know which moment to capture first, so I'll start by asking: Are you well at home? I'm doing well here. Avni, every time I think of writing about you, my mind overflows with poetry. Yet, when I try to put it into words, they seem to elude me. So, I'll simply say this: You were my first "Hi" on campus and my last hug as well. Thank you for everything. Take care of yourself.

I miss those impromptu moments and the thrill of finding any excuse to just be with you, whether it was for a quick study session or simply to share a laugh. Hey Dost, The last four months with you have been incredibly special. I often find myself wishing we had been friends from the very beginning; by now, we would have a tons of endless memories. Yet, in the short time we've had, I've shared some of my best moments on campus with you. It was an absolute joy getting to know you and working alongside you. I do have one small complaint, though—“you didn't teach me Axomiya. If you had, I'd be writing this entire message in Axomiya right now. Nonetheless, the time we spent together was priceless, and I wish all four of us could have worked together more. Here's to the memories we've created and to the many more that lie ahead. Never change yourself Kela.

We always had a very good, fun, and intellectual conversation. I remember the last discussion we recently had that covered places, biotech, and then railways. I have never met a person who is so enthusiastic about railways. It was so interesting to see that. Tumhari snaatakottar upaadhi tumhe mil rhi hai. Iske liye bahut bahut shubh kamnayein. Kamakhya devi se tumhare ujjwal bhavishya ki kamma karte huye yahi kehna chahungi ki aise hi khush mizaz vyakti rehna aur khub tarakki krna. Krishna bhawan aur radha maiyya ki aeem anukmpa tum par ho. Radhe Radhe If you ever come to Himachal, pls do visit us. Best wishes, Isha Kashyap

Hi Adhithya. You are one of the most weird, unique and friendly person I've ever known. I'm so glad I got to know to you and be your friend for these two years. Non-stop stories about trains and temples, selfies everywhere we went, your non-hesitant comments, questions and 'road me jaas', proper classical singing and Hindi kaarane asandhu pora maariyana Hindi are few things I'll bet I can never find it in anyone else and will miss a lot. I specially am grateful for being with me when I lost my cycle. :) I sincerely hope and wish you a lifetime of happiness and content. Enga irundhalum ipdiye irunga sandhoshama irunga! ;) Chennai vandha I'll definitely catch up and you too when you're in Bangalore. All the best Adhithya. P. S. : ellarkum anna aana enakku mattum friend!

Biotechie by profession; RailFan by passion!

Best memories in campus ?

The group dances, group selfies, and the class sittings...
Rail spotting at Agthori station, frequent Kamakhya Darshans, and hangouts with friends are some reminiscing memories!

Biggest change since first year ?

Became more stress - tolerant, but I am done with this department! XD

One thing you learned from here ?

Ramayana taught more, on how to not to be like Ravana, than how to be like Sri Rama. Similarly, IITG taught how to not to be like the Professors.

One thing you'll miss the most ?

The Bengali gang, the ladies gang and the gossips... Kamakhya Temple, and the temples visited with Debsmita and gang!

One thing you'll regret not doing ?

Regret for not trying to come forward to speak up to the person whom I had eyes on...

Aishee Nishat Hoque... My mentor, guide, friend and a very good person... Thanks wouldn't be enough for you. Our first meet was as a mentor-mentee duo, and, we're parting (wrt campus life) as great friends.. Within a very short period, a couple of months short of a year, but quality is always over quantity. Thanks for rendering valuable advises regarding academics, mental issues, relationship advises, amidst your hectic professional and personal life. Unknowingly you taught lessons of kindness, politeness, respect towards relationship, friendship and helpfulness.. You're one of those reasons, that helped me not to survive but live the initial days in the IIT.. Thanks :-D

Hey Allan, Our trip organisor, tourist guide, tea supplier, etc. I hope all the tea shops in Guwahati would have had a huge profit in these 2 years because of you and they'll definitely miss you a lot. A humble request is that don't kill people in the name of cooking. Jokes apart, you are one of the strongest and self determined person I've ever met. I must learn to handle setbacks as easily as you do. I've never seen an instance where you was downcast or dejected and you never express it to anyone. Be cheerful and stay happy always. Despite all the hurdles, you'll definitely end up in a best place you've ever dreamt of. All the best for your future endeavours!! Thank me and Abi later for tolerating you all these 2 years.

Hey Dheepika, Fine artist, topper of the class, good dancer (good chef-disclaimer - no warranty on health issues). Our journey started in the lab group. I think I have made you walk more throughout our trips and city visits and thank u for tolerating me. You are a calm, composed person who is focused. I must learn perfectional, punctuality and perseverance from you. You are a strong-minded woman with high morality. You have said my wrongs directly to me and corrected me many a time. I think I have learned some colour identification from same pinch. Be happy always and you will surely achieve whatever you desire. And I heartfully congratulate you on excelling in all your future endeavors. Even though our MTech journey has ended fast our friendship will be continued forever.

SAKSHI BAGIYAL

Hi Dheepu, you have such an endearing, perpetually smiling face. When I converse with you, I feel liberated. The moments we shared at Kamakhy temple were enchanting. You never object to anything I do, always encouraging and graceful. When I first inquired about your name, I specifically asked why it has "dhee" instead of "dee." You replied with a gentle smile, and that's when I knew you were special. I truly dislike that your hostel was different from ours, but you have etched your identity in my heart. And please come here I will cook something and also go for some place to visit I hope :))))

Hi Ishitaaaa, My labmate. The first time I saw you during our certificate verification you were sitting in front of me. I didn't think that we would become this close. The MANAS trip was the most memorable one where we were in the same group and shared many joyful moments. Coming to the lab, I enjoyed your company which I miss nowadays in lab. You are a person with a strong personality. You are a person who faces challenges with positive mind and a person who is satisfied with own happiness and not care about back talks which inspired me more. Missing mainly the negative result talks, competition on who goes first and criticizing the professors and many.....Will be missing this lab partner but will always be in touch. I wish you all the best in your future endeavors.

Hello Lakshi Our 1st interaction was during a practical class since we were in the same group, but our 1st proper interaction happened during the Manas trip. When we started talking, our vibes matched, and we became good friends. Over these past two years, we have enjoyed all the college events together, whether it was the fresher's party, Garba night, Alcheringa event, Birthday parties (ur dance to Punjabi songs), girls' night, or the NSS camp. We have created lots of unforgettable memories. May god bless you with all the happiness and success O:)

To the only actor who could give a blowjob to a banana, more realistically. You are an awesome director and an even awesomerest actor. The first time I saw you act- "MAI RAAVAN HU, RAAVAN". My favourite memory is when you and Ritesh bhaiya cried a "little" a few days before the showcase of "Mujhe Amrita Chahiye" because the full practice was not going that great.

PURE SOUL". The best I got from IITG. IITG has an amazing environment, but your friendship is what truly made it special for me. Your crazy energy and positivity make you an incredible person. I'll always remember the first time you said "Hi" - the start of our amazing friendship. Even though we're total opposites (me the introvert, you the extrovert), we became best friends. Thank you for understanding me, for trolls and laughs, for night walks, for Alcher days, for inviting me for all events, for showing me the entire campus:, for being my Hindi teacher, for sharing and explaining the songs with patience, Thank you for constant support and thank u for being u. Keep spreading positivity. Keep growing. Keep Smiling Kidooo :)

SHIV KUMAR MAURYA

SanYYaaaaaa! From the first moment, I felt comfortable sharing anything with you without worrying about judgment. I have many cherished memories with you, like dancing together at the Fest, which was pure joy. And, of course, I'll always remember Sath me khana khana and my friendly reminder "aur thoda iyada khana khaya karo" will always make me smile. Your understanding of nature and the unique way you laugh with a pause are things that I will never forget. We've shared deep conversations that only we understand, leaving everyone curious and wondering what's funny. No matter how old we get, our friendship will remain as strong as ever.

Hey roomie IITG did fulfill my childhood wish of having an elder sister by sending you as my roommate. I'll miss every moment with you, Priya, from our late-night rants with glasses of our favorite mango shake from the canteen to our "Big Talks" during dinner at Small Talk, from the peaceful evening strolls by the serpentine to you feeding me hot chocolate. Thanks for having my back, always. Ab jaldi se shaadi kar lo. Juta churana hai mujhe afterall jiya ka ;) All the best!!! Love you always<3

Best memories in campus ?

There are endless number of memories in this campus but what I'll miss the most is the 3 AM cycling.

Biggest change since first year ?

I have seen myself in a better position since I joined this institute, one of the changes I have seen in myself is the confidence I have now in speaking to people.

One thing you learned from here ?

Apart from academics, I have learned one most important thing is how to handle a particular situation with utmost care and also I have learned how to manage my time here.

One thing you'll miss the most ?

I'll miss the freedom we get here, which I don't think we will get after we graduate from here. I'll also miss the campus which is very beautiful and I think I have to include Khokha market in this list.

One thing you'll regret not doing ?

There is nothing to regret about doing anything, either I don't do things I don't like or I do thinks which I don't regret.

Hey Abi, Our journey started with B.Tech till M.tech. Anyway, we got close in Mtech only. Whenever I think the first memory that strikes me is the trips that we enjoyed together starting from Assam Museum. You are the person who got affected more in every trip by me but now everything has become a memory. Niraiya nadakka vacchittaen aur tho kilo meternu solli. Parava illa athuvum nallathu thaan. You are a bold woman who faces every challenge courageously. Had a good company with you in MTech. Be cheerful and happy and you will achieve whatever you dreamt. Hearty congratulations on your future endeavors. Finally thank u for bearing and tolerating me throughout the Mtech.

DHEEPIKA V

Hi Abi, Wishing you the best for your future endeavours. You are an amazing companion that I've gained in these two years. You've always stood with me in my good and bad times. I'll really miss our twinings and unplanned trips.. I've always admired your policy to take things easily, be it exams or any problem your response is Paathukalam da chellam. I'll also miss our decoration work and putting kolam for Tamil sangam, frequent visits to city and doing shopping. Stay in touch always..

SONALI DEVI

hey daa, You are a joyful spirit with whom I enjoyed vibing the most; bridges language barriers with our strong bond. I loved joining her Tamil functions and making her dance to Punjabi songs. From planning jute bags for our enemies to playing ghar-ghar in each otherâ€™s hostel rooms, we created unforgettable memories. Oh Nirmal! The most sweetest singer of the batch, your high pitched sentences are always a matter of curiosity! Always notices me without chappals in the corridor, and taunts me along with Anuvab! The master holder of CREDIT CARDS! The Tech Devta, and phones suggesting spirit of the circle! Always teasing me with Tithli, and dragging me towards his corridor were some swag moments XD! "O Mor Moyna Go..." is my most favorite song from your singing collections... Had a blast with you on all occasions, snatching your Samsung and iPhones for selfies and images! Tawang was a blissful trip together, thanks to this Bengali gang! May Mata Mahaakali and Kamakhya bless you for an amazing life ahead! Keep your railway curiosity upto my marks ;) Sincerely, Aadhi

You're a lovely human, an insanely strong mother and most importantly...atleast for me..a lovely friend... Make sure you come to kochi someday...all the best!!

MUHSIN MOHAMMED ALI MP

Saranya, you have this wonderful calmness and sweetness about you that creates a truly peaceful presence. It's no wonder everyone comes to you for advice - you always seem to have a way of finding the perfect solution. You're not just a problem-solver, though; you're also an amazing person to be around. I cherish the walks we've taken together - they've created so many wonderful memories that I'll always hold dear.

The first interaction I had with you was over a call when you were in isolation in the guest house. Uddu...I think you are the only one who has scolded me the most in this campus... For all the stupidity that I did... I will always be your "drama queen" n you be the "uddu mommy" for me... I will keep calling for the revision of all the life lessons tips that you gave me... Also to listen to those melodies that you sung for me to sleep.... Visiting Chennai soon to learn from your daughters some savage comebacks too..m I might need them in future...and to pack lots of podi and chatni made by your Amma... You are amazing uddu... Keep shining bright...

SARANYA ANANDHAKRISHNAN

Your dedication to work is something I always look up to. Will never forget the tom and jerry fights that you and jobin have in class. You guys made me realise that it's ok to stand up and fight like crazy for what you believe in, without the constant fear that people who like us will hate us for it... you made me overcome the anxiety that I used to have, by being yourself. I am not sure you understand the depth of impact it has in my life. love u uddu. We'll meet in chennai

AKSHAYA V

Udhuuu... You are a walking role model for all of us; I have already told you how much I look up to you and how much I aspire to lead and live a life as you do... Thank you for all the hugs and food that endlessly filled my soul, belly, and heart. You felt like a piece of home here, and the last two years wouldn't have been the same without you. I love you to bits!! Keep shining and keep inspiring... <333

AKSHAYA V

Vedikaaa... You pop out of nowhere like a mom to protect her child or help them out, be it for anyone. You have showered us with great pieces of advice, whether it's work or life, and thank you for that. And the other side of you is filled with the spirit of having fun and exploring new things. Your hard work has always been an inspiring girl... Keep shining and stay in touch :))

MD SHADAB ALAM

Rajnandan bhaiya, who has played a significant role in my life during our time at Lohit Hostel. From the very beginning, he has treated me like a younger brother, rather than just a junior, which has made our relationship special and memorable. His genuine care and support have been a constant source of comfort and guidance. One of the most memorable aspects of our time together has been the Lohit Cricket Premier League. His performance on the field has inspired us. Whether it was taking a crucial wicket, hitting a boundary when the team needed it most, or providing strategic insights, he has always been a key player. Zarur puchunga "khelenge kya bhaiya"? We all will miss you bhaiya.. ATB, shadi me zarur bulana bhaiya.

SANU KUMAR GANGWAR

Dada, Your contributions are unforgettable to me. You have contributed wholeheartedly to improve and form a better department cricket team. We have won CL and were runner in PPL. Also, we have organised several cricket tournaments together likewise CL, ISPL, IPL etc. I enjoyed these days like wise, having meetings, playing cricket etc. We are gonna to miss you in our team as a player as well as a leader. Best of luck Dada for your journey ahead!!! Thank you for beautiful cricket days!!

Upasana Pathak

Raj, The all-rounder, the star in countless ways. Begining of Campus days would've been a monochrome scene without you. You stood by me in my worst times. My stress reliever, Partner in every adventure, in joy, and in strife. Thank you for being my rock and guide. For all the moments, big and small, You're the best person, my all in all. All the best for future endeavours.

OUR EVENTS

GRADUATION BALL

The Graduation Ball, organised annually by SAIL, brings together the graduating batch for an evening of elegance. The night begins with graduates arriving on a red carpet, capturing glamorous photos. Live entertainment, including talented musicians and captivating performances, keeps the atmosphere lively. The highlight of the evening is the dance, where everyone takes to the floor, celebrating and creating lasting memories in a truly unforgettable setting.

GRADUATION TEA PARTY

The Graduation Tea Party is an elegant gathering where graduates can reflect on their journey, share their experiences, and celebrate their successes with their peers. Amidst the ambiance of tea served at the Graduation Tea Party and the presentation of commemorative ties to students of the graduating batch, the event embodies a sense of tradition and celebration, honouring their achievements in a formal yet warm atmosphere. The event includes speeches, toasts, and moments of recognition, highlighting significant achievements. Graduates participate in photograph sessions with the director, professors and their batchmates, capturing moments that symbolise the culmination of their hard work.

PLACEMENT MOCK INTERVIEWS

To better prepare students for their career journeys, SAIL conducts Placement Mock Interviews, where experienced alumni simulate real interview scenarios. This initiative provides students with invaluable practice, detailed feedback, and increased confidence as they approach their placement interviews. By engaging in these realistic interview simulations, students can hone their communication and problem-solving skills, identify areas for improvement, and become familiar with the dynamics of professional interviews.

FINALIS RESONARE

Finalis Resonare is a unique event that celebrates the final year students, marking their transition from students to alumni. This cherished tradition is a time for reflection, recognition, and rejoicing, creating lasting memories as they prepare to embark on their next adventure. The evening culminates in a vibrant celebration, filled with music, dance, and camaraderie, allowing graduates to revel in their successes and look forward to the exciting future that awaits them.

ALUMNI MENTORSHIP PROGRAM

The Alumni Mentorship Program (AMP) is a cornerstone initiative organised by SAIL, designed to connect distinguished alumni and graduates of IITG with current students. The primary goal of this program is to provide guidance, support, and career advice to help students excel in the internship and placement seasons. This initiative fosters a supportive and collaborative environment, ensuring students are well-prepared and confident as they embark on their career journeys, ultimately enhancing their chances of success in internships and job placements.

SMRITI – THE ALUMNI REUNION

This year, SAIL hosted SMRITI, the Silver Jubilee Alumni Reunion, a special event that brought together alumni from the first graduating batch of IITG to reconnect, reminisce, and celebrate their shared experiences. Launching this initiative for the first time, SAIL has created a platform for alumni to strengthen bonds with the students and relive their college days. This event does not only honour the rich history of IITG but also paves the way for future collaborations and opportunities within the alumni network.
